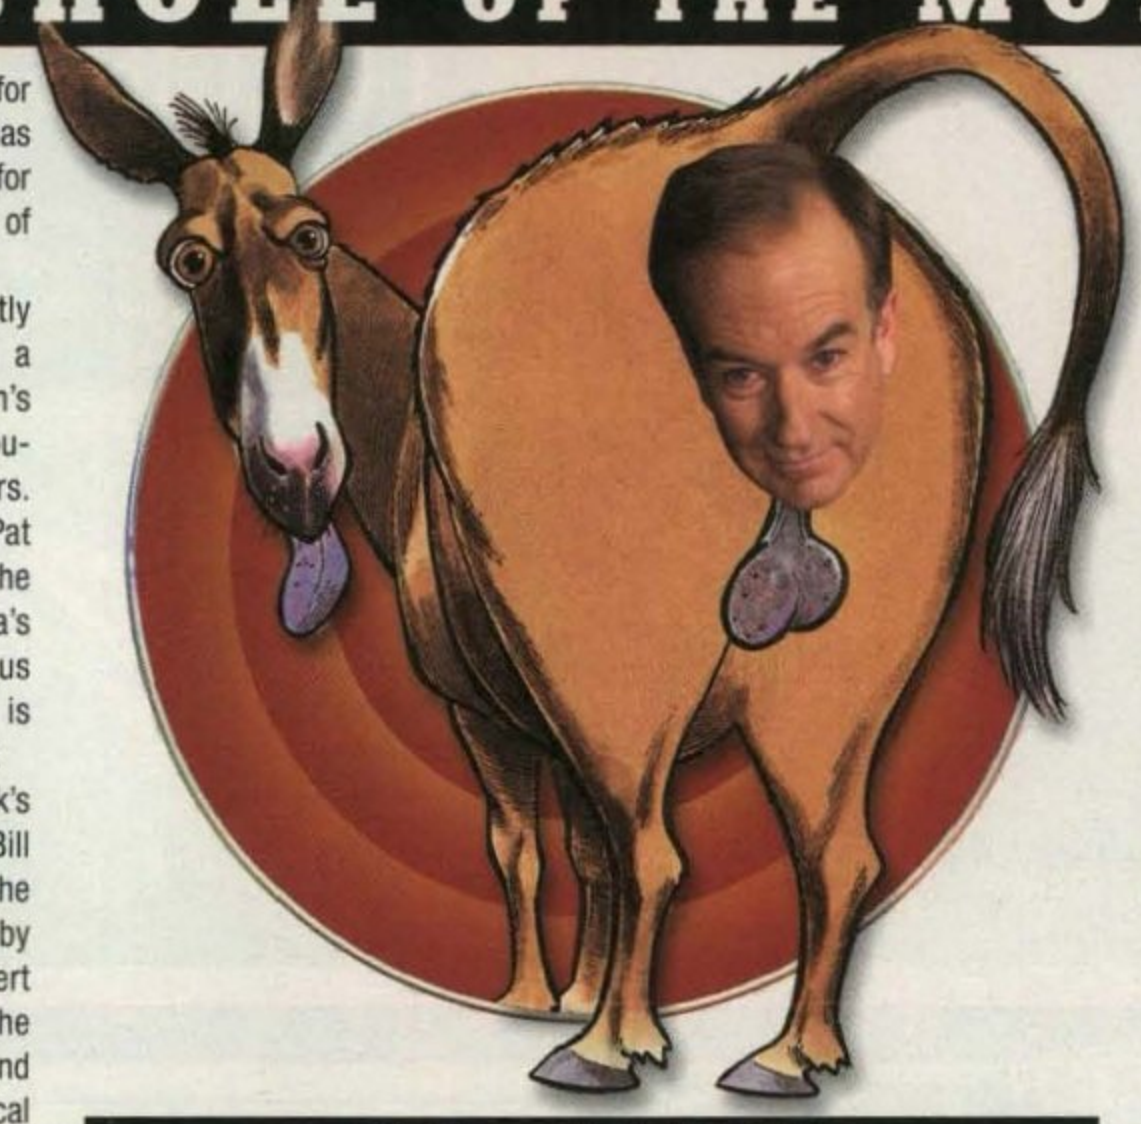
ASSHOLE OF THE MONTH



BILL O'REILLY

Faith and begorra, just in time for Saint Paddy's Day, HUSTLER has a new Asshole of the Month for March 2002! Bill O'Reilly, the pot of turds is yours!

Irish Americans have greatly enriched our culture, though a rank, high-profile subset of Erin's spawn drowns out these contributions with its fecal downpours. Joseph McCarthy, Henry Hyde, Pat Buchanan—all have fortified the public perception that Hibernia's descendants are self-righteous blowhards whose ignorance is matched only by their pugnacity.

As host of Fox News Network's *The O'Reilly Factor*, Blarney Bill joins this legacy of keeping the *sham* in shamrock. Founded by right-wing media baron Rupert Murdoch, Fox News flaunts the mottos "Fair and Balanced" and "We Report, You Decide." A typical fair, balanced Fox poll asks its viewers to decide, "Who would be more likely to cheat at cards—Bill Clinton or Al Gore?" O'Reilly extends this facade to his cathode-ray dribbling. He fancies himself an investigative journalist, though before Fox he was best known for his work on tabloid-trashy *Inside Edition*. The tough-talker hypes *Factor* as a "No Spin Zone" where "lies are rejected and equivocations are mocked."

On his televised train wreck, O'Reilly spins with such ferocity that his mouth and anus become indistinguishable parts of a shit-flinging whirlwind, hectoring guests when they veer from the topic of agreeing with him and shouting down the first hint of rational discourse. "Only masochists would go on his show—or watch it," observes fellow pundit Tucker Carlson.

The biggest victim of Bill's sadism, which he further vents in a syndicated column and two slim, slapdash books, is his own integrity.

"Clear-thinking Americans need to begin speaking out," Bill blusters. "Many of TV's most popular programs, like *Friends*, are full of sexual situations and innuendos." Has anyone vulgarized the airwaves more than O'Reilly's boss Murdoch, whose Fox network routinely churns out such wholesome fare as *Temptation Island*?

"The mindless television panels go on and on about the smallest details in the Condit-Levy matter," Bill huffs, mere weeks after ranting that the media "should be ashamed" of not covering the story more thoroughly, and boasting, "My program...has been leading the charge."

O'Reilly's shifty reportage on national issues pales compared to his personal truth-tweaking. "We won Peabody Awards!" Bill screeched at a guest in 2000, defending his *Inside Edition* stint. There is no record of that program receiving the prestigious broadcasting accolade.

"I'm as lower-middle-class as they come," squeaks O'Reilly, whose $24-million Fox contract renders this delusion laughable. Bill cites his boyhood in low-rent Levittown, New York, where his clan was "pretty far down the social totem pole" and Dad "never made over $35,000 a year." Bill's mother, Angela, maintains he was raised in suburban Westbury, Long Island. Pa O'Reilly, an oil-company accountant, retired in 1978, when 35 grand equaled $92,000 in today's dollars.

"Most of the criticism is born of jealousy," O'Reilly sniffs of his detractors. No one could envy a wretch who seeks acceptance by devaluing his family's standing, but O'Reilly's latest tantrum *is* pitiable.

Seemingly perturbed by the unprecedented solidarity created by the September 11 terrorist attacks, Bill pounced on the victim-relief charity events, opining that the money wasn't being distributed quickly enough. A real reporter would have questioned the charity organizations directly. O'Reilly focused on the celebrities who participated in the events, crowing that it was their "patriotic duty" to defend their goodwill on his show.

When most of the stars declined, O'Reilly pitched a fit, calling them "phonies" who "get a lot of publicity when they do these events, but when it comes time to take some responsibility, they are MIA." Of course, staging a pissing match with Hollywood's A-list will also "get a lot of publicity" for the *Factor*.

Bill's main contribution to the relief effort is knee-jerk opportunism. Will he take responsibility when some Americans, soured by his cynical ploy, pass up the next chance to extend their generosity?

Probably not; being a phony himself, O'Reilly will likely remain MIA as a Malignant Irish Asshole.

FARTS IN THE WIND

John Ashcroft: Apparently weary of issuing vague, panic-inducing warnings of impending terrorist attacks, the Attorney General landed a one-two pinch in November, shitting all over Oregon and California. Ashcroft urged FBI crackdowns on assisted suicide in the former and medical-marijuana "cannabis clubs" in the latter, in direct defiance of laws approved by those states' voters. Memo to John: You have bigger concerns right now than widening the loop of your festering Asshole.

Richard Lessner: Lessner, of Family Research Council's lobbying wing American Renewal, issued a press release in November asking, "What do Saddam Hussein and Senate Majority Leader Tom Daschle have in common? Neither man wants America to drill for oil in Alaska's Arctic National Wildlife Refuge." Such divisive shit-stirring highlights stinking similarities between Lessner and a feces-encrusted Asshole.

It was bad enough when Osama bin Laden reportedly encrypted messages in Internet porn sites, but now the sexually repressed terrorist has started his own hard-core magazine, and filched the title of Larry Flynt's brainchild as his own. HOW TO

TURN FEAR OF TERRORISM INTO TAIL

While the rest of the world runs around afraid of catching anthrax, you'll be busy catching snatch.

1. THE "COLD" WAR

"The days of Spanish fly are behind us," says Peter Hyde, author of *Get Fucked*. "A little creativity in this climate of fear will get you a long way." When your newest first-time date shows up at your pad, kick the evening off to a terrifying start by greeting her in your standard haz-mat outfit. *Sex and the City* has taught women not to trust men; so convince her there really is an anthrax outbreak by dumping some pancake powder on her.

2. THE TIT OFFENSIVE

Put those "infected" clothes in a Ziploc bag, and you're one step closer to strapping your perv on. Hyde notes: "This is a critical stage in the evening where the subject might experience some reluctance. As she expresses her doubts, quietly hum "Taps"—just enough for her to hear, but not enough to know where it's coming from." Bonus: She may be so panicked that she'll want to jump in your shower right then! Someone order a super soaker?

3. THROBBIN' MISSILE CRISIS

Assuming your target listens to Oprah—she is a woman, after all—she might want to score some Cipro to counteract the anthrax. "Modern beaver hunting is like chess," Hyde asserts. "You always have to think two, three moves ahead." Apply those skills you learned in shop class and hollow out a prescription bottle. Tell your frightened date it's a new form of liquid Cipro that requires maximum sucking straight from the source.

4. DUCK AND COVER

Usually when a guy tells a chick, "Everyone should try butt sex before they die," he's likely to get slapped in the face. Hyde knows a lesson they didn't teach in Sunday School: "Armageddon equals I'm-a-gettin'-some." With a CD of war sounds blaring on your stereo and a siren blinking red in your window, ass-fucking becomes the final frontier. She'll leave after the "false alarm" to reflect on global events as you celebrate with a brewskie and a Fudgesicle, bra'.

Racy Lacey

Lacey (Lacey: Streaming for Vengeance) was the highlight of the January 2002 HUSTLER. I particularly loved her piss shots. I wish I could have been on the receiving end of that hot, nasty stream. Seeing her cunt crammed full of dildo managed to further whet my appetite. Bring Lacey back in a boy/girl set so I can see her packed tight with man-meat. Hell, while you're at it, throw her in a lesbo set too. Send my congratulations to Clive McLean for shooting yet another amazing layout. —T. L.

San Diego, California

Tangled Blondes

Dayton and Tawni (Dayton and Tawni: Golden Pink, January 2002 HUSTLER) are the hottest pair of lesbos I've seen in some time. I loved seeing Tawni's fingers stuffed halfway into Dayton's meaty muff, and that shot of Dayton with bullwhips shoved into both of her ports is a keeper as well. Thanks, HUSTLER, for this month's hard-core dose of pink and kink. —B. O.

Eugene, Oregon

If you're into sizzling girl/girl action, you are hereby instructed to flip to page 55 and check out *Orchidea and Felony: Match Made in Heaven*. The sapphic brunettes give January's blond duo a real run for their moneymakers.

Amanda's Bangs

I have a bit of a fetish for women with short hair. I'm not a homo or anything kinky like that; I just think that lovely women with cropped tops are the cat's meow. When I saw Amanda (Amanda: Precious Fluids) in the January 2002 HUSTLER, I was quite pleased. Amanda is an exquisite example of the female species and looks especially stunning thanks to her shorter coif. Please feature more short-haired lovelies such as Amanda in future editions of your magazine. —R. N.

Dykes in the Clink

After seeing Jasmine and Judith in action (Jasmine and Judith: Womb Service, August 2001 HUSTLER), I just had to send a personal note to the pair. You two are unbelievable. I worship your pictures every day. I paid 35 stamps for your issue, but it was worth it. The inmate who sold the issue to me kicks himself for parting with your pictures. I had your layout laminated, and I rent you out for five stamps a night. Thanks, Jasmine and Judith; your hot layout has been both a source of physical pleasure and a sound financial investment. —M. CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

In the can, the going rate for HUSTLER is 35 stamps, which is $11.90 at the current postage rate. If that same joe plans ahead, he can subscribe and snag a year's worth of HUSTLER pink for only $3.33 an issue. Many convicts are restricted from subscribing to or possessing HUSTLER at all. Phoenix and the Boss

What's the fucking deal with that old dude named Dick in the Holiday 2001 issue of HUSTLER (Phoenix and Dick: Come Young and Old)? That dill weed looks just like my pain-in-the-ass regional manager. I know you can't do anything about weird coincidences like that, but I just had to vent. The sight of my undeserving superior's lookalike hammering such a beautiful, nubile piece of ass really ticked me off. —D. F.

Political Nit-Picking

I'm a socially liberal, fiscally conservative, black HUSTLER reader. I know that Republicans have been far from perfect, but why all the cheap shots at them and George W. Bush lately? Like most Americans, when Bush starts with the religious talk, my eyes glaze over, but when he talks about tax cuts and making the government smaller, I get excited. Why doesn't HUSTLER call out that bastard asshole Joe Lieberman who wants to raise taxes and censor just about everything? At least Bush weighed in and said, "It's up to parents to control what kids watch." Try to be a little more nonpartisan, HUSTLER. —B. M.

What are we fighting for if we aren't protecting (and exercising) the rights guaranteed to us by the Constitution? The White House's answer to Joseph Goebbels is right though; in times like these many Americans, Fleischer included, should take a moment to consider their words, lest they blurt out similar nonsense and wind up looking dumber than an Islamic fundamentalist hopped up on jihad.

Dressed to Thrill

Your story about the current burlesque revival (Burlesque's Rebirth, January 2002 HUSTLER) reminded me how much I dig chicks in costume. One of the first boners I can remember was inspired by Barbara Eden in her I Dream of Jeannie outfit. I'd never been able to put my finger on it, but now I realize that the generic slut uniforms favored by strippers and porn stars have been gradually boring me to tears. Smith Shoots, Scores!

I really dug your interview with filmmaker Kevin Smith (Silent Bob Shoots His Wad, Holiday 2001 HUSTLER). I was never crazy about his flicks, but after reading his conversation with HUSTLER he seemed like a pretty cool guy. Your interviewer asked him some fucked-up questions, and he came right back at you without blinking. You'll never see such an informal, honest dialogue with a prick like Spielberg; so Smith earns some big-time anti-Hollywood points in my book. Thanks for staying irreverent, HUSTLER. —K. I.

Hard-core Lit

I'm not much of a reader. The only book on my shelf is the Chilton's manual for my Chevy. After I read the excerpt of Plainclothes Naked (January 2002 HUSTLER), I ran out and bought the book. I go through a page or two every time I hit a truck stop to pinch a loaf. Plainclothes Naked is fucked-up, nasty and fun, just like HUSTLER. Leave it to HUSTLER to turn a 45-year-old, perverted, ex-con trucker on to reading. You guys are something else. —G. O.

Dear Slut

Jeanna Fine Tells the Fucking Truth

Take-Out Kink

My girlfriend has gone kinky on me. At first she added tons of positions to our sex play, which is fine by me. Lately, she's been asking me to wear a pizza-delivery uniform before we screw. I've tried it, and the outfit makes me feel like an idiot. If I refuse to put on the costume, she gives me the silent treatment. What should I do? —J. M.
Waterville, Maine

You should never feel like an idiot when you're with your mate. This is a person who supposedly loves you, and definitely wants to fuck you; so she should be willing to compromise on a fantasy scenario that doesn't make you lose sleep over how you look. Stand firm, and if she still insists on the pizza-boy shtick, slice her out of your life.

Loose Woman

This might sound ignorant, but fuck it, I've got to ask. Several months ago my wife gave birth to our third kid. She was a real trouper and barely broke a sweat, but ever since then she winces and complains every time I try to stick my dick into her cunt. My spouse just passed my ten-pound son through her birth canal; why does she still have a hard time accommodating my measly, six-inch prick? —E. P.
Port Hope, Ontario, Canada

Labor is a long process that slowly dilates the pussy to child-size. Physical and verbal foreplay will accomplish the same thing, but on a smaller scale. Anybody who's not a complete retard knows that kind attention to the nether regions allows the prick full access. If you're tending to her flower and it still doesn't bloom, your wife may have trouble with her natural lubrication. Buy some lube, romance her clit, and take it slow, cowboy. The mother of your children will thank you.

Something Shocking?

I love masturbating in the bathtub. Last week I tried sitting on the edge of the tub and buzzing my clit with a Pocket Rocket. I accidentally dropped the vibe into the water, and the jolt of electricity gave me an intense orgasm. Are there any safe ways to administer sexual shocks, or should I just drop a toaster in the tub every time I want to get off? —A. R.
Bowie, Maryland

Use extreme care with electricity unless your aim is to become a Darwin Award winner. The fetish community has developed many ways to administer safe, sensual electrical shocks. Mainstream medical equipment, such as a pulsing back massager, will also do the trick. In a pinch, you could always put on some socks, shuffle across the floor and zap your clit on a metal doorknob.

Wholesale Hooker

I've been seeing the same prostitute on a regular basis. I've really taken a liking to this young lady and would love to give her a better life. I'm pretty sure that she has a pimp, madam or manager of some sort. How much do these characters usually take from their girls? Do they skim from the tips as well? I love giving the young lady a healthy bonus, but hate the idea of the money going to some sleazy whoremonger. How much would it take for me to completely buy out my sweetheart and free her from sexual servitude? —R. S.
Boston, Massachusetts

Most escort services take a percentage of the fee and allow the babe to keep the tip. Textbook pimps skim more, but let's be honest; nobody really tips a street skank. More than the cash, this affair is going to cost you a lot of heartache. Rather than try to rescue this girl, you should think about saving yourself. Take a step back and examine the situation. You are no knight, and this young lady is no princess. It's a good bet that her future plans involve separating guys like you from their money and little else.

Prick F.A.Q.

What is the deal with my husband's prick? I can suck and stroke his wang all night long and he never comes, but as soon as he sticks his schlong into my pussy he blows his load. Is my twat too tight? And what's wrong with my oral technique that I can't finish the job with my mouth? —W. M.
Hueytown, Alabama

It's not uncommon for men to have trouble climaxing through oral stimulation. While the soft, sensual feel of your lips and tongue can be heaven to a prick, nine out of ten guys will tell you that firm pumping is the best way to bust their nuts. If you can't simulate the stroke with your mouth, let him finish the job. Talk dirty and beg for a mouth (or face) full of sperm while he strokes. If his prick still refuses to pop, use your extra-tight cunt as a fail-safe cum-coaxer.

Extreme Porno Boot Camp

Directed by Rod Fontana.
Starring Veronica Caine, Sienna, Alaina, Samantha Sterlyng, Rochelle Devore, Summer Lynn, Flick Shagwell, Candy Wayne, Brian Surewood, Damien Michaels, Arnold Schwartzenpecker, Mr. Pete, Burke, Jeremy Steele, Brett Rockman, Brian Heston, Jack Hammer, Adam Wood, M. C. Knight, Darren James, Luciano and Rod Fontana.
Videocassette: Extreme Associates.

Raw porn recruits are put to the test in *Extreme Porno Boot Camp.* Rod Fontana—director, XXX drill instructor and rumored military reservist—oversees the induction, hazing and training of five young sluts, eventually molding the fledgling tramps into porn-star material. What follows for these brave nubiles is a hellish three days of D.P. training, enema seminars, piss drinking and blow-bang exercises. Flick Shagwell hustles her butt to the top of Anal Hill for a painful, double-anal penetration. For the "Difficult Fucking Position" tutorial, Luciano balances recruit Alaina on a beam and pounds her cunt while the comely greenhorn struggles not to fall off. *Extreme Porno Boot Camp* is a class-A ration of smartly executed reality smut.

XXX Relief

Porn Pitches In

Since September 11's attacks, many American citizens and businesses have contributed to the relief effort. The porn industry is no exception; *Erotic Entertainment* rounds up a few of smut's charitable deeds.

***Chloe** drips with patriotism.*

Free Speech Coalition T-Shirts: At the East Coast Video Show held October 9 to 11 in Atlantic City, New Jersey, veteran porn figure Bill Margold hawked clothing emblazoned with the motto, "We blow people—we don't blow them up." It's yet to be determined which charity will receive the $3,000 T-shirt take.

Webquest's Auction: HUSTLER helped Webquest (the tech-heads behind HUSTLER.com) raise an impressive $453,175 to benefit the Red Cross. Some of LFP's contributions to the Webquest-organized auction included:

A copy of the notorious 1975 ***"Jackie O" HUSTLER signed by Larry Flynt****—$15,500.*

***A personalized photo-shoot** with HUSTLER Senior Photographer Clive McLean—$2,500.*

Larry Flynt's autobiography, ***An Unseemly Man, autographed****—$300.*

***Original art from HUSTLER** cartoonist George Trosley—$100.*

Strike Back Against Terrorism Benefit: A bevy of porn starlets gathered at Deja Vu Showgirls in North Hollywood, California, under the moniker United Adult Community. Organized by XXX sirens Serenity and Christi Lake and photographer Dr. X, this patriotic evening of stripping raised $8,300 for the Red Cross. Felecia, Amber Lynn, Jewel De'Nyle, Jessica Drake, Midori, Chloe, Kim Chambers, Alicia Rio, Brooke Hunter and Nikki Dial donated their cash-generating onstage skills.

Tera Patrick and HUSTLER Hollywood: The Digital Playground contract star traveled to Ohio for in-store signings and auctions at both the Cincinnati and Monroe locations of HUSTLER Hollywood. Local firemen came to meet Patrick and show their support. Tera autographed copies of her DVDs and videocassettes for the many fans who lined up to meet the sultry starlet. All proceeds from the weekend were donated to New York disaster relief funds.

Veronica Caine: Extreme Associates contract girl Veronica Caine is donating her ass to the war effort. The starlet is offering to fuck Osama bin Laden if he agrees to turn himself over. "It's so awful. All the killing, all the bombing of innocent people. If all it takes to end it all is to get Osama bin Laden to come out of hiding, I would be happy to let him fuck me if he surrenders so no more lives are lost," says the porn starlet. It's still unclear whether or not Caine will be able to deduct this "charitable contribution" from her taxes. HUSTLER encourages readers to donate their time or money to the charity of their choice.

***Veronica Caine:** Osama's hootchie mama?*

***Babes in Pornland:** "What's he complaining about? It's in my ass."*

Babes in Pornland

Directed by Jewel De'Nyle.
Starring Jewel De'Nyle, Gwen Summers, Nikita Denise, Allana Evans, Austin, Michael Stephano, Claudio, Joel Lawrence, Mark Woods and Brian Surewood.
Videocassette: Puritan Video Productions.

Jewel De'Nyle knows her strengths. As director of *Babes in Pornland*, the raven-tressed, bubble-butted cum guzzler doesn't pussify the proceedings as so many other starlets-turned-helmswomen have done in the past. Secure in her professional calling as a nasty, unapologetic whore, De'Nyle leaves the *Sex and the City*-esque dialogue and gauzy, soft-focus relationship porn to her wannabe housewife peers. Instead, her offering consists of raunchy gonzo scenes that start with brief but energetic solo masturbation and end with sloppy facials and cum slurping. Jewel kicks off the festivities herself, taking Michael Stephano's tool into her love holes with gusto before catching a huge load on her tongue and systematically wringing every last drop of jizz from Stephano's joint. *Babes in Pornland* leaves viewers similarly drained. **—N. V.**

Fan Fever

Directed by Jerome Tanner.
Starring Melissa West, Nina Ferrari, Caramel, Selena Del Rey, Bella Donna, Dillion Day, Dale D'Bone, Chris Cannon, Jakey Tanner, Mario, Paul Mayfield, Frank Bukkwyd and Marty Romano.
Videocassette: Legend Video.

In *Fan Fever*, Nina Ferrari plays Amber Areola, a soap-opera-addicted porn slut who can only be pulled away from her "stories" by the lure of turgid man flesh. Ferrari eagerly slings her legs behind her ears while Chris Cannon reams her snatch, displaying an enthusiasm that proves to be the premature highlight of the tape. Nina's trivial existence as a video whore is transformed when her life mysteriously takes on the characteristics of an afternoon soap. Is she the real Amber, or an evil twin? Strokers rightly won't give a fuck, but they should be warned of Melissa West's grating presence. Gracing the box cover in airbrushed glory, the bottle-blond fuck puppet seems promising. Unfortunately, West's overly aggressive cock-handling is faker than her rippling jugs, and her ear-splitting screams would make Teri Weigel blush. Sadly, West's bogus balling quickly chills *Fan Fever*. **—Clive Thurstwood**

Immortal

Directed by Michael Raven.
Starring Jill Kelly, Asia Carrera, Haven, Devon, Tabitha Stevens, Inari Vachs, Shayla LaVeaux, April, Monique DeMoan, Charlie, Dee, Tawni, Monica Sweetheart, Vickie, Leiha Ha, Julian, Randy Spears, Dale D'Bone, Erin Sky and Ricky.
Videocassette: Jill Kelly Productions.

Immortal casts porn starlets as mythological goddesses, resulting in a divine onanistic offering. Jill Kelly is Cleo, a muse with an epic wet spot for a mortal man. Fate forces the blonde to pick between eternal life on Mt. Olympus or one lifetime's worth of love with Julian on earth. Jill and Julian pork twice onscreen; each pairing conveys the intimacy of their offscreen relationship. The couple's second rut ends with Julian pulling out and painting Jill's cunt with cum. Jill uses the spent prick to rub the seed into her dripping pussy, then reinserts the semen-smeared tool into her womb. This penetrating scene, combined with an energetic lesbo romp organized by sage pornstress Asia Carrera and an earthbound orgy featuring busty angel Devon, makes *Immortal* heavenly. **—N. V.**

Young Muff #8

Directed by Turd Ferguson.
Starring Danka, Genevieve, 2Pretty4Porn, Katrina Spanks, Brie, Brian Surewood and Turd Ferguson.
Videocassette: Armageddon Entertainment.

Sounding like the fecal approximation of Gilbert Gottfried, director Turd Ferguson mars *Young Muff #8* with his cinematic skidmarks. Although the entertainment value of a man in a shit suit singing "Ebony and Ivory" to Brian Surewood can't be discounted, there's a troubling lack of the vital ingredient promised in the title. Nubian fuck toy 2Pretty4Porn proves that she isn't during a drawn-out D.P. Danka is smeared with chocolate syrup and violated over a toilet bowl by Brian Surewood, but this noble display is offset by sight gags such as Turd shitting himself and his interminable rap video. Sure, Turd can bust a rhyme as well as any other floater on the West Side, but that doesn't make up for the sorry lack of female talent. Brie and Katrina Spanks show up for the final scene, but the two giggly skags do little to make up for the preceding boredom. *Young Muff #8* whiffs of stale shit. **—C. T.**

Knee Pad Nymphos: *"Wow, with this stethoscope, I really can hear you coming."*

Industrial Sex: *Dominica and Evan work overtime.*

Knee Pad Nymphos

Directed by Dave Cummings.
Starring Brooke, Nicole Moore, Kya, Justine Romee, Gabriella Banks, Kendall Starr, Dyn-A-Mite, Olympic, Candy Apples, Shanna McCullough, Ron Jester and Dave Cummings.
Videocassette: Dave Cummings Productions.

Blue-screen geezer Dave Cummings lords over *Knee Pad Nymphos* like a wraith from hell's retirement community. Decked-out in blue gym shorts, old-man hat and kneesocks, Dave fearlessly drills Brooke's razor-bumped snatch in public. As disturbing as such sights are, the ex-GI deserves respect for the amount of poontang he still nabs. The highlight of this vid is Dave's hookup with Shanna McCullough in an adult-book store, where he sneaks the veteran cooze queen into a jackoff booth. As Dave feeds coins into the video display, Shanna treats him to a tit-fuck and hungrily gulps down his schwang, fulfilling a fantasy for perverts of all ages. Although the necessity of knee pads isn't always obvious, particularly during a 69 with Gabriella Banks, Dave insists that all his sluts don the protective gear. *Knee Pad Nymphos* proves that safety and mediocrity often go hand in hand. **—C. T.**

Industrial Sex

Directed by Robby D.
Starring Calli Cox, Dominica Leoni, Payne Giovanni, Kianna, Ashley, Jenna Davis, Mason Marconi, Pat Myne, Bobby Vitale, Creed, Tice Bune, Dale D'Bone and Evan Stone.
Videocassette: Vivid Video.

A new face with a hot bod prominently graces the box cover of *Industrial Sex*. Tragically, the *Maxim*-esque hottie, billed as "solo superstar Mason Marconi," does little more than writhe, gyrate and caress herself on tape. In fact, viewers would have to pore over this flick frame by frame to catch the few fleeting glimpses of Marconi's naughty bits. The rest of the cast fuck and suck, slurp semen and otherwise ably fulfill their duties as paid whores. Dominica Leoni, sultry in her leather boots, fucks like a meth-crazed chimp, and for her troubles is relegated to the back of the box. Meanwhile, Mason, who can't even bother to drop trou and diddle her prissy little clit, is cynically presented front and center. For giving viewers the shaft, the otherwise serviceable *Industrial Sex* earns none. **—N. V.**

Young Sluts Inc.

Directed by Kat Slater.
Starring Claudia Adkins, Gauge, Tiffany Fox, Luna, Aurora Snow, Kaylee, Samantha Sterlyng, Karima, Pier Evergreen, Dale D'Bone, Joey Ray and Damien Thorn.
Videocassette: HUSTLER Video.

Young Sluts Inc. takes an average portfolio of gash and parlays it into exceptional sexual dividends. Thanks to impeccable production values, even Gauge's well-travelled ginch looks first-time fresh when she takes on the tools of Dale D'Bone and Pier Evergreen. Gauge's ferocious choad huffing is justly rewarded when her tiny bod is thoroughly coated with ball grease. Aurora Snow earns the heartiest fist-pumping ovations for her scorching rut with Joey Ray. Usually subdued on camera, Aurora mounts Ray's rod and rides it to a sweaty climax that leaves the young starlet raw, pink and totally spent. When they're not selling their holes to businessmen and trust-fund babies, the girls mash gash by the Jacuzzi. Alternately lush and nasty, *Young Sluts Inc.* is perfect company for uncertain economic times. **—C. T.**

All the Rave

Directed by Nicholas Steele.
Starring Chandler, Kelsey, Michelle Louise, Kelli Marie, Amber Michaels, Paige Sinclair, Sharon Wild, Dillion Day, Dale D'Bone, Evan Stone and Joey Ray.
Videocassette: Adam & Eve Productions/Ultimate Pictures.

Dance-floor divas gyrate and copulate till dawn in *All the Rave*. Chandler plays Rebecca Rave, a slutty wannabe deejay who purports to be more than "just another dreamer trying to be a rave star." The turntable queen's introduction to club life is a carnal encounter with Dillion Day, a megalomaniacal event promoter with a penchant for coordinated leopard-skin outfits and oversized hats. The gaudy lothario toasts Chandler with a plastic martini glass, then shoves his prick into her pert, glitter-glossed mouth. The blonde massages her clit with a pocket rocket as Dillion pounds her ass-hatch. Dillion peaks, pulls out and pops a messy load across the length of Chandler's perfect bod. The flick's portrayal of an already tacky subculture is laughable, but *All the Rave*'s starlets, clad in scintillating club-kid outfits, fuck like they're hopped up on goofballs. Strokers will be ecstatic. **—N. V.**

Young Sluts Inc.: *"Open the hangar; here comes the airplane!"*

Woodman Whips Out His ***Brazilian Snake***

Brazil has no shortage of hot, easy pussy, but that didn't stop XXX auteur Pierre Woodman from importing 15 stunning European croissants to the South American paradise when shooting his latest blue-screen epic, *Brazilian Snake*. On his expedition, Woodman, who now shoots features exclusively for HUSTLER Video (see "HUSTLER's Million-Dollar Videos," March 2001 *Erotic Entertainment*), turned out his most expensive production to date. The filth mastermind took a cast and crew the size of a high-school football team halfway around the world, fully capturing the beauty of the lush, green paradise in a series of helicopter shots and (of course) delivering scene after scene of the French director's signature D.P.s and sperm baths. Fans of last year's debut HUSTLER PLATINUM release, *Happy Birthday*, will celebrate the return of Woodman favorite Judith Fox (portraying stunning streetwalker Copacabana). This time around, Pierre cast several new faces to catch cum alongside the veteran cock-handler. Persian beauty Yasmyne stars as police inspector Sandy Johnson, a gorgeous public servant on the trail of a serial killer. With her partner Bob Kurlam (played by Alain Deloin), the sexy snoop hunts down, interrogates and occasionally screws depraved members of Rio de Janiero's underworld. The two-part, seven-hour, hard-core thriller *Brazilian Snake* is being released as volumes #2 and #3 of HUSTLER Video's HUSTLER PLATINUM line.

Catch *Brazilian Snake* on VHS and DVD by calling (877) 325-6464.

On the Set With Brianna Banks

Directed by uncredited.
Starring Brianna Banks, Chris Cannon, Joel Lawrence, Mark Davis, Chuck Martino and Bobby Vitale.
Videocassette: X-Traordinary Pictures.

On the Set With Brianna Banks offers an unflinching, behind-the-scenes look at five hard-core video shoots, all starring the statuesque title tramp. With no added soundtrack and little editing, this raw footage pulls back the curtain on smut, revealing on-set fucking to be tedious and vaguely creepy. Brianna displays neither a vibrant friendliness nor a fingernails-on-the-chalkboard diva mentality as she wanders around the sets blankly. Banks's torpid indifference is most evident when she halfheartedly asks for a towel to pad the small of her back while Chris Cannon fucks her on a park bench. Later, in the grand tradition of John Holmes and Dirk Diggler, Brianna maps out a scene with Chuck Martino. While *On the Set With Brianna Banks* delivers the industry standard of five copulations, many of the scenes don't include facials. Only the pairing of Banks and Bobby Vitale (as of this writing, a real-life couple) gives serious stroke value to this voyeuristic XXX documentary.

Fast Cars and Tiki Bars

Directed by Red Ezra.
Starring Jezebelle Bond, Charmaine, Nicole Sheridan, Kelsey Heart, Gina Ryder, Allysin Chaynes, T. J. Hart, Bunny Luv, Isabella, Brad Armstrong, Randy Spears, Dillion Day, Voodoo and Herschel Savage.
Videocassette: Wicked Pictures.

Fast Cars and Tiki Bars recalls a simpler time when all a person needed to forget about the world's problems were Hawaiian shirts, tropical drinks and surf music—and, possibly, Nicole Sheridan wearing fishnets while getting fucked sideways. In this collection of fantasy vignettes, goofy '60s retro style is the backdrop to solid screwing from Sheridan, Gina Ryder and T. J. Hart. Although Sheridan labors a little too often with her offscreen beau, Voodoo, she has become an expert at handling her Latin lover's massive prong, and the couple's work always produces genuine heat. Elsewhere, Isabella, Bunny Luv and Jezebelle Bond team up for a great lesbo orgy that features what can only be described as impressive triangulation. *Fast Cars and Tiki Bars* is escapist fluff that nonetheless captivates viewer loins. **—C. T.**

Sleepwalker

Directed by Mike Quasar.
Starring Nina Ferrari, Brigette Kerkove, Felicia Fox, Ryan Conner, Dani Sexton, Sunrise Adams, Tice Bune, Mark Woods and Brick Majors.
Videocassette: Cal Vista.

Even the presence of gape-happy ass queen Brigette Kerkove doesn't rouse *Sleepwalker* from its somnambulistic slumber. In a plot line typical of thrillers that air on the USA Network at 4 a.m., Nina Ferrari is plagued by erotic hallucinations after an unspecified near-death experience. The visions don't present a problem when they feature fresh-faced Sunrise Adams being pumped by Brick Majors, but Nina becomes hysterical when she sees Brigette Kerkove's grotesquely inflated lips wrap around Mark Woods's sausage. Obviously intended for couples, the onscreen boffing is tame, and Kerkove keeps her shit-pipe antics in check. Only super-dependable fuck doll Ryan Conner generates heat during a prolonged drilling from Tice Bune that leaves her snatch as red as a baboon's butt. Otherwise, *Sleepwalker* is a snooze. **—C. T.**

Dear Slut

"To me, pumping ass feels like sticking my dick in a hot bowl of cottage cheese while an O-ring tightens around the base of my prick."

(continued from page 28) ***wad of jizz shot up my nose. I tried to blow the spunk out with a tissue, but I don't think I cleared it all. I haven't experienced any problems with my nasal cavity or sinuses yet, but I'm really nervous that I'll become infected or something worse. In your years of blowjob experience, you must have taken an errant chunk of semen in your schnozz; am I being a hypochondriac, Jeanna, or does whazz in the nose present a health risk?*** ***—E. L.***
Laramie, Wyoming

Apart from its sting, disease-free sperm is completely harmless. Do something about your aim or put on a welding mask next time you're preparing to fire a high-pressure load.

Buttin' Out

Anal sex isn't all it's cracked up to be. To me, pumping ass feels like sticking my dick in a hot bowl of cottage cheese while an O-ring tightens around the base of my prick. So many guys (even straight ones) rave about ass-fucking, but after all the hassle of lubing and patiently opening the orifice, it just doesn't seem worth it. Am I doing something wrong? ***—N. L.***
Kearns, Utah

Anal sex is the current flavor of the month. Many people are attracted to the taboo of pooper-poking. Other cornholing enthusiasts take perverse pleasure in the undercurrents of rape, control and punishment that go along with ass-fucking. While many have found new levels of pleasure after passing through the shit rings, it's not surprising after all the hype that some find the whole sordid affair overrated. If butt sex doesn't do it for you, don't do it. You're no less of a man (and probably a bit less of a homo) for steering clear of assholes.

Fragile Vage

My lover's labia become swollen to the point of painfulness (so she says) with even minimal amounts of handling. Her clit is also hypersensitive. I have a five-to-ten-minute window during which to stroke or lick her love button before the organ becomes too tender to touch. Is this common? What methods should I use when pleasuring an overstimulated pussy? ***—Q. I.***
Circleville, Ohio

The best way to lick this problem would be to watch how your girl handles her own privates when she's frigging her snatch. My guess is that she prefers a large area of generalized stimulation to a single point of pressure on her sensitive clit. She's probably a humper, or kneads the flesh around her clit, as opposed to diddling the actual nubbin. Make sure that the fingers you're probing with aren't rough and calloused, and that your face is clean-shaven when it's between her thighs. We all have to work with what God has given us. Your lover already knows what works for her; do a little detective work and learn her secrets.

Stickin' the Prick

I'm thinking about piercing my penis. Do dudes with dick rings have trouble with condoms? Any advice regarding the safe mutilation of my genitals would be greatly appreciated. ***—V. J.***
Brooklyn, New York

A pierced prick should either be double-bagged or, at the very least, wrapped in a very thick, durable rubber. It's widely held that genital piercing enhances sexual stimulation, but these sensations are most safely enjoyed by a faithful, monogamous couple. Never practice unprotected sex just after piercing. Wait until the hole is completely healed. For the ins-and-outs of prick piercing, it's best to go to the source. The needle jockeys at the parlor usually know the details firsthand.

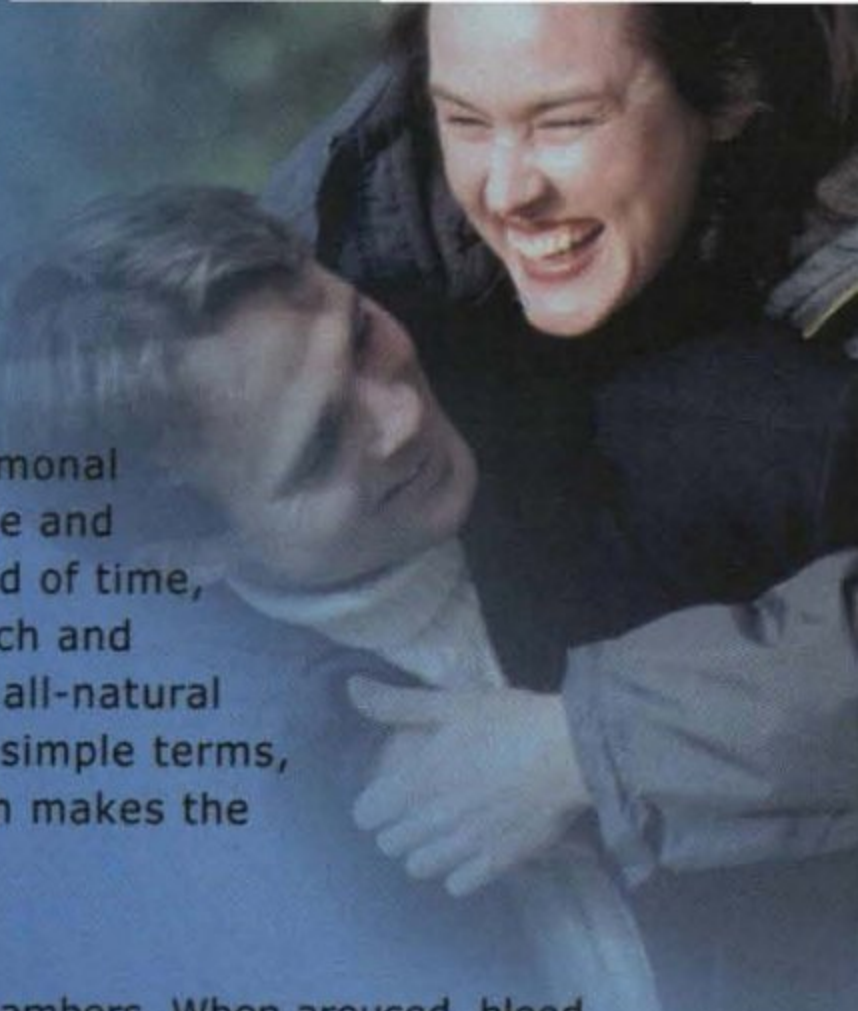
Natural Male Enhancement

ENZYTE™



Medical and Scientific Breakthrough

Enzyte was developed by Dr. Fredrick Thomkins, a physican with a biology degree from Stanford and Dr. Michael Moore, a leading urologist from Harvard. The two collaborated for 13 years studying human blood flow. They concluded that with the right hormonal stimuli, blood can be forced into muscle and tissue chambers, and that over a period of time, these chambers will substantially stretch and elongate.The result is the world's only all-natural supplement for male enhancement. In simple terms, Enzyte is a blood flow stimulator, which makes the most of your natural potential.

"Of course I was skeptical, but the results are phenomenal Enzyte is the real deal!"

S. Hamilton
Louisville, KY

How it Works

The penis is made of two erectile tissue chambers. When aroused, blood flows into these chambers, producing an erection. The more blood that is pumped into them, the larger you will be. The active ingredients in Enzyte naturally push more blood into the chambers. Over time, as the chambers stretch, more and more blood will be pushed in, creating substantial growth in both length and roundness. Over the the course of the 8 month program, your erectile chambers, as well as your penis, will enlarge up to 41%.

The first all-natural male enhancement program that adds one to three inches to your size in just eight months or get double your money back.*

"Absolutely unbelievable! I would recommend it to anyone."

"He is much more confident, it's just so sexy."

Maximize your love life

In a recent survey, 87% of women secretly revealed that they wouldn't mind if their partner had added size. **Enzyte can take you there.**

100% Safe with a 98.3% Success Rate*

Enzyte is as safe to take as a daily vitamin with absolutely no side effects. Simply take two capsules each morning.

Results Guaranteed*

Hot Letters

Disaster-Sex Sandwich

An 18-year-old girl's tongue is circling my asshole as I write this; so forgive me if my prose and penmanship are a little choppy. I never thought something like this would happen to me. Of course, I never thought I'd look out the window of my Hoboken apartment one day and see two skyscrapers collapse either. The TV says that people soothe their feelings of loss and powerlessness in times of crisis with "disaster sex." I'm not proud of this; I merely state it as a fact. I've been banging two women constantly since September. We still don't feel all right, but the threeways help.

I'm a graphic artist, and I live above a Polish bakery. Agnes and Jennifer, the mother and daughter who run the shop, have the same blue eyes and prominent, pink nipples, but otherwise are as different as can be.

Agnes (originally Agnieska) is a petite, brown-haired cutie in her early 30s who looks much younger. She's pale, with about 20 dark freckles scattered over her slender body. Eighteen-year-old Jennifer's about twice her mother's height—a healthy, red-cheeked, bubble-assed blonde with hardly any tits, just big, chewy nerps. I suspect that, if Mom hadn't emigrated in the early '80s, robust Jennifer would now be on some farm near Warsaw pushing a plow. Or pulling it.

I'd been coming down for coffee and *babka* every morning for a couple of years, watching channel 11 with these two before I started work. *Babka* is a biscuitlike cake that's none too tasty, but it's kept low in the display case. It was fun to order, as one of the pretty Poles would have to bend way over to retrieve my breakfast. That morning, it was Jennifer who fetched my *babka*. As she stooped, her rounded tush flattened and parted, and her jeans lifted up into her crack.

If we heard the first plane hit the WTC, it wasn't loud enough to notice. We found out about the tragedy when the news broke into Maury Povich's show about five minutes later. There was nothing to be seen from the street level; so Agnes locked the bakery and the three of us scrambled up to my third-floor view of Manhattan.

We saw everything. Late Tuesday night, we were still glued to my television. My small couch pressed the two ladies into me on either side, but we each could have just as well been parked in different corners of the room. Jennifer wept, her muttony shoulders heaving as she sobbed. Agnes hugged her knees and glowered at the screen.

"When I was a girl," the little mom declared bitterly, "whole house burned down; the next day I am not a *wergin*."

Jennifer caught her mother's implication sooner than I did. The big blonde grabbed my crotch and stuck her tongue down my throat. The wave of shame I felt didn't hinder my cock, which sprang to attention at the daughter's urgent massage. I held the girl close to unhook her bra but, not surprisingly given her modest mammarian endowment, she had nothing under her white blouse but nipples the size of cherries. I shoved the lusty bitch to the floor and squatted over her chest. Jennifer yelped in pleasure and whipped off her shirt. Her pink protuberances stood out from her chest like gum balls set into the flat, smooth surface of a vanilla custard. I pulled out my angry tool and, tweaking her spartan dugs roughly, ground my schlong into her torso, shoving up toward her chin.

Jennifer craned her neck forward to slurp my dick into her hot yap. She sucked the tip as if she were smoking, but not inhaling. I grabbed her head and shoved into her skull as far as possible. The bashful blonde moaned in

I pulled out of the daughter's wet gullet and, falling back onto the floor, yanked the mother's wide-open cunt down onto my dick to catch the load.

delight as I fucked her face. Rivulets of slobber trickled from the corners of her mouth when she smiled at me.

Agnes dropped her skirt and apron, bending over to reveal her brown-thatched mussel. The hairs were surprisingly long and straight. You never know how a girl's going to trim herself, but in Agnes's case, puss-grooming analysis was moot. The pale, thin lips set into the petite Pole's wild carpet made her slice look like Bluto's chin turned sideways. Grabbing her ankles, the mother walked her muff backward onto my nose, heedless of the droplet of pussy juice splattering on her daughter's face below her. I tongued her snatch open, tasting the anxiety-spiced ooze within, while Jennifer gagged and sputtered on my jock.

"*Goddamn!*" Agnes shouted, reaching back to grasp my shoulders. "*Goddamn-goddamn-goddamn!*"

Snuffling into her silky thatch, I felt a monster load building in my balls. I pulled out of the daughter's wet gullet and, falling back onto the floor, yanked the Warsaw Pact spinner's wide-open cunt down onto my dick to catch the load. The mother hollered and cried as tremendous wads sizzled into her furry canyon.

Jennifer, her snatch untouched so far, pulled her flyweight ma off my popping cock and lay on top of me. The husky blonde squeezed my depleting woody into her tight cooch to catch the last few drops of nut butter.

While Agnes lay next to me and diddled her grizzly split with the TV remote, I kissed her daughter, long and sloppy. I felt Jennifer's wide, blubbery mouth go slack and cool as she ground her clit into my pelvis, bucking her way to orgasm with my exhausted, semisoft member inside her.

We lay on the floor like that, our three faces close together, until dawn. Every day since then has included at least two hours of CNN, bracketed by a long fuck session before and after.

That's what happens in times of crisis: You give money and blood, volunteer when you can, hit the church if you need to and, above all, fuck your brains out. Maybe all our carnal activity will help in the long run, but I try not to expect too much closure from these bouts of frenetic passion. Balling two frisky girls at once would have been my perfect fantasy before, but now the three of us are just killing time, waiting for the world to make sense again.

Semen Shanty

I live in a small town in Ontario, Canada, where residents go ice fishing as early as October. There was a time when a thirtysomething divorcee such as myself could go angling on the frozen lakes by herself without fear of molestation. Since then, though, I've taken up the sport.

I'm a brunette with a huge fucking chest; so I usually come home with a small stringer of panfish and a bellyful of sperm. On the slow nights, I'll find myself alone in a shanty. But that's okay too; I can always frig myself with my little fishing rod.

The best time I ever had cruising the ice holes was in February of last year. The Ontario Ministry of Natural Resources puts ice shacks up in Provincial recreation areas. I'd trundled into one hut looking to get laid, wearing a rose, flannel shirt and cherry, down vest. I had a spritz of CK One in my tuque and a diaphragm in my tackle box. Kicking through the thin layer of ice that had formed across a hole somebody else had cut, I wormed up and sank my line.

In just 15 minutes I had a nibble. A twentyish, French-looking sportsman came in and sat across from me. He nodded, and I threw him my best *brr-it's-cold* smile. Happily, the burly rodman reacted and pitched a tent in his snowmobile pants. I pulled my line from the water and breathed fog across the bait, taking care to part my lips sexily.

"What are you doing?" he asked.

"De-icing the worm," I replied, invitingly. He patted the bench on his side of the shanty.

"Come sit by me," the horndog winked. "My worm's cold too."

I love it when they come back with sophisticated banter of their own. I made a show of walking around the hole to him; my fuck-me boots have heels that make my ass stick up in the air.

I parked my keister on the man's lap, where his considerable chub poked up like a fire log. He slipped his hand into the back of my jeans and under the long johns, then around my Victoria's Secret undies, and introduced himself as Gérard while he fingered my chilled

"No, wait. It isn't an abnormal growth; it's a tattoo."

Gérard pounded my crapper like a gorilla shaking the bars of his cage. I shouted with glee as he monkey-fucked my shit chute.

honeypot. I don't know if that was his real name; I told him mine was Sal, and that's utter fiction.

Gérard latched the door from the inside and, bringing a chilly mitt around to the front of my snatch, plunged his pinkies into my fore and aft holes. Moist droplets of love juice had already begun to flow, feeling fiery against my refrigerated flaps, when the guy's digits pushed in. The Quebecois slid me around his Gore-Tex-covered beef stick. The angler's tiny, probing fingertips made me shudder involuntarily. I almost came; so Gérard backed off a bit, withdrawing his pinkies and taking care to wipe them on my thermal clothes and not my outerwear. Flushed with arousal, I stood and shed my vest, flannel shirt, T-shirt and bra, leaving myself naked from the waist up, save my mittens and hat. My tremendous rack flounced about as I undid Frenchie's drawers, freeing up a rhino-sized boner.

"Quite the pocket-warmer, eh?" I said, marveling.

"*Huh*," Gérard snorted, "you bet. Show me a pocket, an' I'll warm it good." The man who can swap zingers with me is rare; a guy like that who looks like the legendary Montreal Canadien Maurice Richard—stick and all—is an even bigger prize.

I wrapped my knockers around his shaft. Big as the cock was, my cleavage almost hid it. I rubbed the creamy scoops up the length of his stiffy; the friction-heat felt good against my exposed flesh orbs. Not many girls can tit-wank a man as well as I can; even fewer are out on the ice on a weeknight.

The lucky angler lit a DuMaurier and watched me work. My mouth teased his mushroom cap while my jugs batted at the veiny stem. Half-nude as I was, I became overheated, panting steam as thick as the frog's tobacco smoke. But neither compared to the thick puffs of condensation Gérard's jizz released to the air when he shot a string of smoldering pearls across my hooters.

I lapped the gunk from my dugs while it was still warm, then turned away, dropped my panties and broke out my diaphragm. The gel was cold; I slipped the spuzz trampoline into my coochie slowly, letting my jelly roll acclimate to the icy spermicide.

The Quebecois either became impatient, or had a typically Catholic approach to contraception; as I squatted to seat my cup, Gérard stole behind me and slammed his rejuvenated fatty into my butt crack, poking hot dick against my unyielding winker. I left the diaphragm cockeyed and reached back to grab his insistent prong with gel-coated fingers, using the cool, slippery goop to ease the ramrod into my bunghole with only a little discomfort.

The second I took my hand away, Gérard reached forward and, mashing my boobs into my ribs, pounded my crapper like a gorilla shaking the bars of his cage. I shouted with glee as he monkey-fucked my shit chute, his thick, arm-sized prick jostling the dingus I'd left in my cunt through the thin wall of flesh between holes.

The hand that held his cigarette slipped down to my crotch. The heat from the tip radiated against one thigh as we knocked together. I realized why the man had become so dexterous with his pinkies when he plunged the baby digit into my sweltering box: The way he gripped his cancer stick, it was the only available finger. My asshole was beginning to ache to the point where my sphincters felt ready to split when froggy came a-spurtin' for a second time. As jets of white-hot spunk became lost in my guts, his pinkie connected with the edge of my rubber cup. The opposite edge pressed into my G spot, and I lifted a half-meter off the ice as I orgasmed.

After we rode out our respective post-coital twitches and shudders, Gérard pulled his outer garments up and was gone before I was even half-dressed. That's okay; I was only there to have my ticket punched anyway. The Quebecois must have felt the same; months later, I realized that the accomplished cocksman hadn't even brought any fishing equipment onto the ice. —J. L.

Big Babies

Infantilists Want Their Mommies

by Eddie Mullins

Illustration by Van Arno

Jessica hasn't left little Stevie in his crib for more than five minutes before he starts screaming for his baby bottle. She tries to ignore him, but his plaintive cries are too much for her to bear.

"Does my little Stevie want some milk?" Jessica coos, waving a bottle playfully in front of him. Stevie gurgles enthusiastically and clumsily grabs it from her.

"There you go," she says as he sucks away contentedly. "What a good little boy you are."

Jessica looks down on Stevie in his baby-blue, snap-crotched Onesy and reflects on what a precious child she has.

She returns to her chores, but after ten minutes, Stevie erupts in tears again. A familiar smell tells Jessica that someone has soiled his diapers. "Uh-oh! Who made a stinky in their little pants?"

The caring mother takes Stevie from his crib and lays him gently on the changing table. She undoes the snaps of his Onesy and the sticky tabs on his diapers to find exactly what she expected. "What a big mess you've made!" Jessica exclaims.

She throws the shit-packed diaper in the trash and retrieves some wet naps to wipe Stevie's bottom clean. Jessica seems surprised to see Stevie's penis slowly becoming engorged. As she powders him, his adult-size phallus stands at full attention, bobbing in front of her. By the time she is ready to put him in a fresh nappy, he is vigorously stroking himself while making giggly baby noises of satisfaction.

"You go ahead and have your little fun," instructs Jessica as she retires to her chair. "Mommy can wait."

Stevie eventually brings himself to ejaculation and lays back on the changing table, breathing heavily. After a few moments, the 43-year-old "baby" rolls off the table and stands up on his own.

"Thank you, Mommy," Stevie says. He dresses, pays Jessica for her services, and leaves behind—if only for a little while—the diapers and the fantasy.

* * *

The very term *infantilism* carries unfortunate connotations. At best, the word conjures images of grown-ups sucking on pacifiers and traipsing around in diapers; at worst, the term is often mistaken for some form of pedophilia. This latter assumption is grievous and hurtful to infantilists, as nothing could be more antithetical to their practices.

"People always make these unfounded, knee-jerk assumptions," says Baby Davee, a lank, 26-year-old infantilist from Milwaukee, Wisconsin. "We don't ever want to be with the baby; we want to be the baby! That's why most of us prefer to be called 'ABs.'"

AB, or "adult baby," is the politically correct term that many infantilists have adopted. ABs are individuals who eroticize the experience of being treated as babies or toddlers.

Each infantilist has his or her (but mostly his) own definition of what it means to participate in "age play." Many enjoy age-regression fantasy purely as a means to escape their otherwise stressful adult worlds. Some crave more kinky scenarios involving corporal discipline and confinement, while others add scatological and urophilic dimensions to their sex play. Even the choice of diapers among full-grown rug rats differs considerably.

"I like any diaper that is white," says Tiffany Rogers, a 32-year-old AB from Colorado. "I absolutely hate the blue ones, because they're intended for old people. If I had to pick, I'd say my favorite brand is Pampers." Attends, Curity and Depends are also popular adult-baby faves.

Simey, an admitted 32-year-old going on 1½, proudly insists that he wears diapers around the clock, even at his job as a flight attendant. "I hate being out of my nappies. I mess and wet anytime I need to—that's what they're for! I also orgasm in them. As a kid, anytime I could get ahold of a nappy, I would get excited and come just trying it on."

But diaper chic is only the beginning of ABs becoming one with their inner

Wasley.

"One day I'm going to build the full-size nursery I've always dreamed of," says Baby Davee. "I've even entertained buying a bonnet."

infant. While virtually all ABs wet their diapers, some yearn to achieve babylike incontinence and actually undergo hypnosis, hoping to suppress their bowel and bladder control.

"The whole idea of having no control is unrealistic," says Cybelle Holiday, a professional dominatrix, "AB-sitter" and hypnotist in the San Francisco area. "People have a lot of fantasies about what it means to be a baby, but the fact is that no baby is incontinent. Babies hold it sometimes, and babies also push when they go to the bathroom. What you can aim for using hypnosis is ease of control, the feeling of, 'Anytime I feel at all like going, I go.' I've had great success with this, once my clients shed their false assumptions about what it means to be a 'real' baby."

Along with the pursuit of soggy-bottomed bliss, ABs derive great pleasure from surrounding themselves with infantile accessories. Rattles and pacifiers are only the tip of the infantilist iceberg.

"One day I'm going to build the full-size nursery I've always dreamed of," says Baby Davee. "Until then I have plenty of toys and trinkets to tide me over. Blocks, Legos, stuffed animals, Cabbage Patch Kids, you name it. I've even entertained buying a bonnet, although that might be a little too sissy for me."

The ultimate age-play accessory cannot be bought, at least not at a store. The most sought after infantilist accoutrement by far is a genuine, flesh-and-blood "mommy" to pamper them. ABs encounter difficulty attracting partners who share their enthusiasm for age play. Even if an AB is fortunate enough to meet a willing participant, mommies rarely find their parental role-playing completely satisfying.

But there are exceptions. Charlee, a 19-year-old Londoner, harbors a serious soft spot for ABs. A dedicated "bABysitter," Charlee enjoys bathing, diapering and reading bedtime stories to her "children." "A guy can get no more attractive than when he is dressed in a juvenile outfit, diapered and sucking his thumb," she says. "This, to me, is both incredibly sexy and cute on every level possible."

For those who aren't lucky enough to find a Charlee, there are professionals, such as Cybelle Holiday. "Most of the [ABs] I see are interested in soiling their diapers and having them changed," says Holiday. "It might be cuddly, it might be erotic, but it doesn't necessarily involve the genitals. On the other hand, some find it exciting to masturbate in wet diapers—it makes them feel very naughty."

In many cases, becoming a baby is not a means to a kinky end, but an end in itself. Because actual babies do not have sex, numerous ABs find age-regression and intercourse incompatible.

"There isn't necessarily a sexual component at all," says 19-year-old Josh. "I use [regression] mainly for relaxation and, on a more psychological level, living out the childhood I never really had. If I do get aroused, it is relieved by masturbation, but I don't have sex with a partner while they are in parent mode, as that is not realistic."

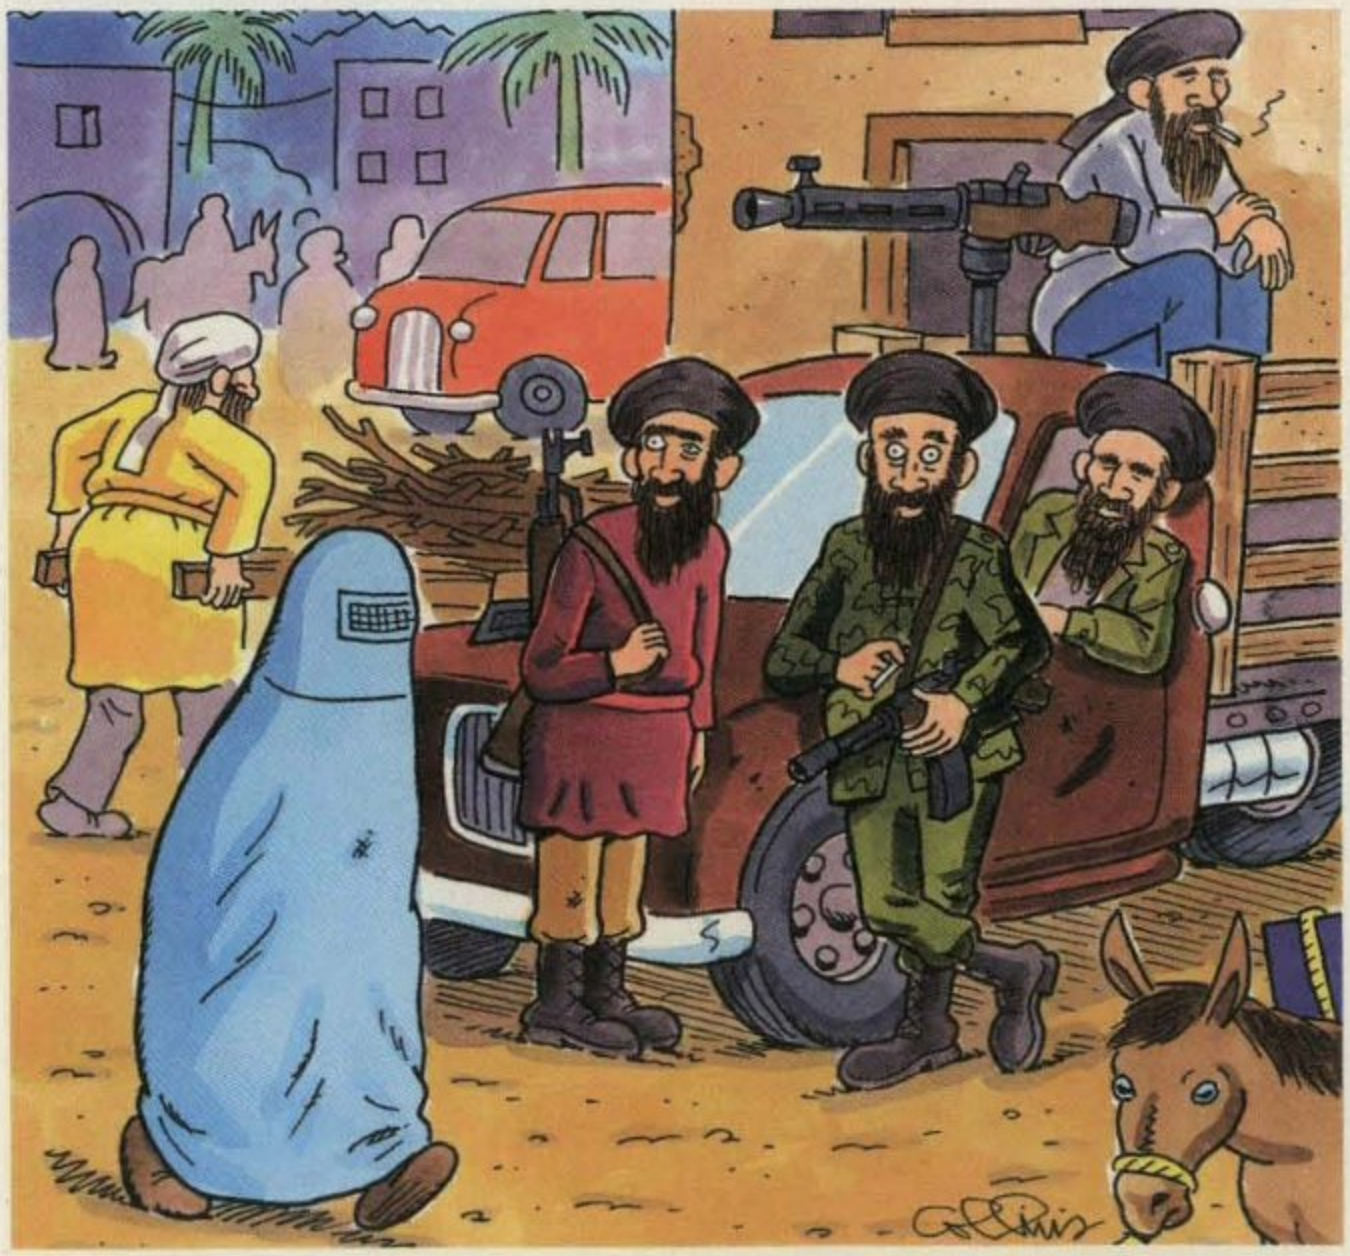
On the opposite end of the spectrum, there are those who combine age play not only with sex, but with other complementary fetishes and fantasies. Sissy Becky is a 25-year-old man who enjoys "forced babyhood" scenarios, combining S&M with dressing as a baby girl.

"In my case, there is a definite sexual component," says Becky. "I am a sissy because it's what turns me on. I really go for bondage as well—restraints, paddles, floggers, spreader bars, etc. For people like myself, it's more of a kink than a lifestyle. While it's true that I do undergo a personality shift, I'm not concerned with being the baby girl as much as I am [with] being dressed as a baby girl."

The myriad permutations of infantilism make any kind of comprehensive analysis of the phenomenon difficult. Still, many theories abound. "During early childhood, any number of things might be associated with sexual arousal," says Tom Sargent, a sex counselor with more than 40 years experience. "For example, a spanking, needing to urinate or even the texture of a diaper might all cause erections. Mostly it's accidental, but if these patterns are repeated enough, they become permanent fixtures in the brain, and the individuals will want to go on repeating them again and again over the course of their lives."

Other experts, including San Francisco sex therapist Dr. William A. Henkin, look to deeper psychological origins to explain the desires of ABs. "Age play is about more than just diapers and being young; it's often about letting go of control that may have been imposed too early or too intensely on a child who had to grow up before she or he was psychologically or physically prepared to do so."

Whatever the reasons, ABs all share a love for the innocent halcyon days of childhood. As one infantilist babbles in baby talk, "Me wanna go back."



"Yo, mama...lookin' good."

Kurfürstendamm (or Ku' Damm for short) is Berlin's equivalent to present-day Times Square—a sprawling conglomeration of high-end shopping and tourist traps. Visitors and locals buy everything from frilly fashion to weighty beer steins, and there's a restaurant every 20 feet. But on July 14, 2001, the Erotic Carneval, a political sex parade, marches through the center of Ku' Damm, making the thoroughfare more redolent of ancient Sodom. Women shake their unfettered tits and men gyrate in leather codpieces in broad daylight as unwitting out-of-towners try to figure out who all these near-naked people are. A multitude of female revelers clad only in thongs jiggle their asses freely against the backdrop of department stores, complete with police escort.

The scene is a voyeur's wet dream. A bald-headed chick wearing only a corset and a strip of duct tape across her shaven crotch pulls a ricksha occupied by a young blonde covered in sheer white fabric. The German porn star Isabel Golden jiggles her barbell-pierced nipples at eager oglers. Even the firemen and mounted police who line the streets, many of whom sport visible erections through their uniforms, seem to be enjoying the show; some of the hose holders flirt with two young hotties, convincing one to flash her tits from beneath an already revealing tank top.

The Carneval Erotica is a project shared by various affiliates of Berlin's hedonistic culture, led by the proprietors of the Kit Kat Club, the city's premiere interactive erotic-entertainment venue. Although this is the first year of the Carneval, the event is an offshoot of Germany's Loveparade, a massive, annual clothing-optional blowout that began in 1989 and has, as of last year, grown to include more than 1.3 million people, making it the largest block party on the planet.

For the past five years, the organizers of the Carneval maintained a float at the Loveparade; during the 2000 procession, they shot a porn flick on their truck. But this year, the Carneval Erotica's organizers created their own event in order to highlight certain political issues. "We demonstrate for our right to practice an alternative lifestyle in our clubs without bureaucratic hindrance and out-of-touch laws," declares Dominique Insomnia, an attractive co-organizer of the event.

The group wants to eliminate mandatory closing times for clubs, allow people to have sex in public venues and legalize pimping. "If someone gives sex workers a good and humane place to work, they should not be sentenced to jail," asserts Insomnia. While prostitution is legal in Germany, the event's organizers believe that the government should give whores health insurance, the right to advertise their services and the legal means to sue johns who don't ante up after copulation.

At the Carneval, Dominique Insomnia is dressed in a purple pirate costume. Every 30 minutes or so, the busty blonde takes her place on the bow of her wagon. From

"Just put your teeth together **and blow.**"

her perch, Insomnia calls for hedonists to sweep the land and be heard. The crowd greets her proclamation with ebullient cheers.

Insomnia rains pervy propaganda down on the scantily clad and completely nude "protesters." Her group's manifesto reads, "We demonstrate for a common hedonistic culture, orientated on the mature citizens who have their own individual values for morality and sexuality." In other words, if people want to fuck in the streets, no one should stop them.

Its activist underpinnings aside, many in the crowd assert that they are attending the Carneval solely "to see naked people." And chances are that the middle-aged woman wearing nothing more than a mask and some red hair dye on her muff isn't overly concerned with politics as she allows strangers to finger her dripping cunt.

The Carneval Erotica resembles the Macy's Thanksgiving Day Parade, only substituting bared breasts for Mickey Mouse balloons, and blaring sound systems for marching bands. Boasting 16 trucks loaded with gyrating flesh and ample participants in the spaces between them, the gathering forms a procession some five blocks long, drawing a reported 80,000 eager observers.

Fetishists run rampant. One float holds two tempting dominas in fishnet catsuits, slowly stripping and whipping their even more delicious victim. Unfortunately, not all German exhibitionists possess perfect bodies. As native observer Gerdt states, "Cellulite jiggles when dancing—a lot!"

Tits are licked, asses are beaten, and the occasional thong is moved aside for a quick tongue probe; however, most of the fucking, at least on the floats, is simulated.

The Carneval Erotica resembles the Macy's Thanksgiving Day Parade, only substituting bared breasts for Mickey Mouse balloons, and blaring sound systems for marching bands.

"We told everybody, 'Don't have sex,' because it was our first [independent parade], and the police really were watching us and filming us," explains Dominique Insomnia. In her early 30s, the sex-party planner has been in the hedonistic scene for the past ten years and hosts the monthly Friday's Finest Fetish night at the Kit Kat Club. The Carneval is her baby, and she's justifiably proud. Still, she discourages participants from fully letting loose, at least for now. "I think if you want to move something politically, it's important to build bridges. You have to irritate them a little bit, but not too much. If we were to fuck, there would be no bridges. There were many old people there."

One of these elderly attendees is a woman well into her 60s. "If I were 30 years younger, I would go and dance with them," the biddy says. "I'd [take] my clothes off and go over there."

"This is great," beams Dominique. "This is what we wanted. But if we had sex on the truck, perhaps she will be not wanting this. It's too strong."

Besides, the real action will go on at the event's after-party, held at the Kit Kat Club.

The first Loveparade was a relatively small gathering in the summer of 1989. Organized by a Berlin deejay known as

Dr. Motte, the event was intended to show humanity that, through techno and rave culture, world peace was possible. Though only 150 participants were involved that year, some claim this first parade was partly responsible for the tearing down of the Berlin Wall some four months later.

For the past 13 years, the German government saw the Loveparade as a source of civic pride, an enormous influx of tourist dollars and a legitimate demonstration. This year, the officials changed their minds. In the view of the country's highest courts, the event is now more commercial than communal. (Practically all of its floats are sponsored by corporations advertising everything from condoms to television programs, while the Loveparade sells its own merchandise, including T-shirts, CDs, whistles and panties.) The authorities refused the Loveparade's traditional date, which had been preemptively applied for by environmentalists who oppose the event's trashing of Tiergarten, Berlin's largest park.

Love Week is ten days of hedonistic German club culture— music, drugs, sex and a scheisse-load of open-air nudity.

The treehuggers' tactic has apparently backfired however. Rather than dampening spirits by pushing the Loveparade back a week, the general attitude seems to be, "Since the weekend is fucked anyway, let's drag it out and have a good time." Randy Berliners dubbed the entire middle of July "Love Week," ten days of hedonistic German club culture—music, drugs, sex and a *scheisse*-load of open-air nudity.

Running from July 13 through July 22, Love Week is bookended by the Fuckparade (created in 1997 to protest the Loveparade's increasing corporatization) and the Carneval Erotica on one side and the Loveparade on the other, with a few days' overlap.

I took a bowl, shit into it every morning and ate it. Pretty soon my own caviar wasn't enough for me, and I dreamt of being covered with the shit of a lot of men. I decided to make these extreme movies. And what became of me, you can see in my movies.*

Club cofounder Kirsten Krüger, a petite brunette who guards the door tenaciously. At two in the morning, Krüger turns away a gaggle of American Carson Daly clones. "Come on, it took us forever to get here," pleads one would-be hipster in desperation. He even shows a tattoo in a vain attempt to prove that he's cool, but Krüger is not impressed. The clean-cut bunch is refused entry.

Once within the door, there is a second gauntlet to run; approved attendees must lose some of the clothing that gained them entrance. Most men are required to go at least topless, and women are encouraged to do the same. A cute coat-check girl wearing thick glasses and a fuzzy sweater takes shirts and bras, hanging them up behind her. The employee wears no pants, and her neatly trimmed bush seems as natural in this setting as anything else.

Unlike a typical American sex club, the Kit Kat is brightly lit. The venue is decorated with Day-Glo art depicting various sex acts. A woman paints smiley faces on various girls' tits, making their breasts more conducive to the black-lit dance floor. One stout fellow wears only a medieval helmet, which hides his identity completely. Another, with his neon armor, resembles Tron on steroids. Many of the revelers sport the typical straps, buckles and shiny stainless-steel piercings, but more than a few choose to dispense with any outfit at all, dancing au naturel. Two 18-year-old girls in their underwear tag-team a lucky gent on the dance floor, hands disappearing into undies as the three tongue each other's faces. Another woman sways gently on the stage as a new friend laps eagerly at her cunt.

The whole place exudes kink. Two men are raptly attentive only ten feet away from a naked woman who is casually encouraging onlookers to jack off for her. "This is what is very special about the Kit Kat Club," proclaims Insomnia proudly. "Normally, you have the swingers' clubs, then you have the fetish clubs, then you have the S&M clubs, then you have the techno clubs, then you have the gay clubs. But in Kit Kat, everything is together. And this is really the secret of the Kit Kat Club, why the energy is that good in this place."

In the club's courtyard, a swing holds a woman wearing a red corset and short rubber skirt. Her skirt lifted, she is in the process of taking her third cock in a row. A crowd has gathered, and more and more dicks are being aimed toward her face. The communal fuckhole looks up and licks one of the phalli now and then, but she is lost in her own pleasure, grunting as yet another man slams his crotch into her ass.

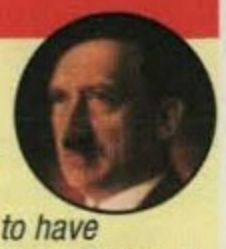
TEUTONIC LOVE FIVE GERMAN "ROMANTICS"

Martin Luther (1483 to 1546)
Luther was an Augustinian monk who basically founded the Protestant Reformation to justify fucking Catholic nun Katharina von Bora. Even so, the world's first "Lutheran" railed against adulterers and fornicators, declared war on brothels and preached that the "dreadful, scabby, stinking, loathsome and syphilitic" prostitute is a murderer who "can give her disease to ten, 20, 30, 100 and more good people."

Immanuel Kant (1724 to 1804)
This so-called genius died a virgin at the age of 80. Transcendental Idealism, our asses.

Johann Wolfgang von Goethe (1749 to 1832)
The author of Faust began the German literature movement known as Romanticism. After reviewing 2,500 letters written by Goethe, biographer Karl Hugo Pruys angered many Germans when he theorized that the man many consider the Fatherland's greatest cultural figure enjoyed queer sex in the ass.

Friedrich Nietzsche (1844 to 1900)
This philosophy uebermensch spent the last 11 years of his life insane from syphilis. Although he's rumored to have fucked his own sister, Nietzsche most likely acquired the disease from a romp at a brothel as a youth. Other than a dreadful, scabby, stinking, loathsome and syphilitic whore (and possibly his sibling), Nietzsche is believed to have practiced total sexual abstinence.



Adolf Hitler (1889 to 1945)
Though he was once thought to have had only one testicle and to have had sex with his niece, most historians believe that Hitler had two balls, and a new book, Hitler's Secret: The Double Life of a Dictator, claims that Der Führer was actually Der Flämer. Across town, the Fuckparade has turned out to be a complete disaster. On Friday the 13th, the day before the planned event, government officials told Fuckparade organizers that their demonstration was "too fun" to be considered a protest and denied them any licenses to take over the street.

"We disagree certainly," states mild-mannered Martin Kliehm, the event's main organizer. "Normally what happens in the club [is] fun, sure, but at the Fuckparade, we bring the clubs on the streets—clubs that are fighting all the time for their existence against authorities, against police raids, against old-fashioned laws from the 1920s. That in itself is a statement. Nobody would object if you had farmers demonstrating with their tractors."

In an attempt to avoid utter defeat, the organizers threw together another demonstration, this one for the right to demonstrate. On Saturday afternoon, a few thousand people assemble to show their solidarity, only to have their voices squelched yet again; the police now have orders to confiscate the rally's boom boxes and musical instruments.

"In '99, in front of the truck, men lay down and let women piss on them. It was great."

While diehards continue to march, the Fuckparade is doomed to a small, quiet procession.

* * *

Like the Fuckparade, the Loveparade's turnout is also hampered by the government, whose de facto one-week postponement has downscaled this year's turnout to between 300,000 and 450,000 attendees, which is still a huge party.

As before, the Berliners are eager to strip down for their cause. However, the Loveparade has a different feel from the Carneval Erotica or the Fuckparade. The crowd is younger, and dancing is the rule. In compliance with club-kid stereotypes, whistles are in everyone's mouths, and faux-fur caveman-wear is all the rage.

Moving toward the Victory statue in the center of the park, the crowd grows denser, and the clothes grow sparser. Women in Daisy Dukes wear only plastic flowers over their nipples. Katja, a 22-year-old from Hamburg, sports a thong and a sheer, black nightgown as she rides her boyfriend's shoulders, swaying to the beat. "This is my third Loveparade, and it's the best I have been [to]," the exuberant libertine screams.

Others are less enthused. Carneval organizer Dominique may be dancing and having a good time, but she concedes that something is missing. "In the Loveparade of '95, they all fucked on the truck," she smiles. "And in '99, in front of the truck, men lay down and [let] women piss on them. It was great. You should see the videos. Unbelievable. Really bad behaving. But this year was a very clean atmosphere. Some girls got naked, some girls went topless, but [the behavior was] really harmless."

In the shrubbery off the main way, the grounds become an obstacle course of girls squatting and peeing as their boyfriends and strangers look on, amused. Twenty feet into the trees, naked ravers run around like nymphs and satyrs.

"This is nothing," claims Jeremiah from New York, another repeat Loveparader. "Last year, I watched a fat chick blow some guy while she was peeing. That was something."

Even as Jeremiah whines about this year's relative mildness, a couple not ten feet from the parade begin making out. The man, with blue hair, fishnet shirt and thong, seems to have hypnotized a willing mate as he buries his hand in her pants, completely oblivious to the crowd surrounding them. Nearby, an unclothed girl jumps into a pond.

"You know, the English have a saying," Jeremiah notes. "'Germans always look for a reason to get naked.'"

During Love Week, they didn't have far to look.

A father and his son were walking in Manhattan when they came across the ruins of the World Trade Center.

"What's that?" the little boy inquired.

"Well, 20 years ago, that's where the World Trade Center stood," replied the man.

"What's the World Trade Center?" the child quizzed.

"It used to be two of the world's tallest buildings, 110 stories each," answered the father.

"What happened to them?" asked the tot.

"One day, these Arabs hijacked two of our airplanes and crashed them into the towers, making the buildings collapse. They killed thousands of people and forced us to go to war. It was the darkest day in American history," explained the dad.

"Daddy?" whispered the child.

"Yes, son?" his father encouraged.

"What's an Arab?" the boy puzzled.

The ball hit one of the men, who immediately clasped his hands together at his crotch, fell to the ground and rolled around in agony. The woman rushed down to the man and apologized.

"Please allow me to help," she said. "I'm a physical therapist."

"I'll be fine in a few minutes," the injured linksman replied breathlessly as he remained in the fetal position, still clasping his hands together at his crotch.

The woman persisted, and he finally let her help. She gently loosened his pants, reached into his fly and massaged his balls, asking, "How does that feel?"

"It feels great," he answered, "but my thumb still hurts like hell."

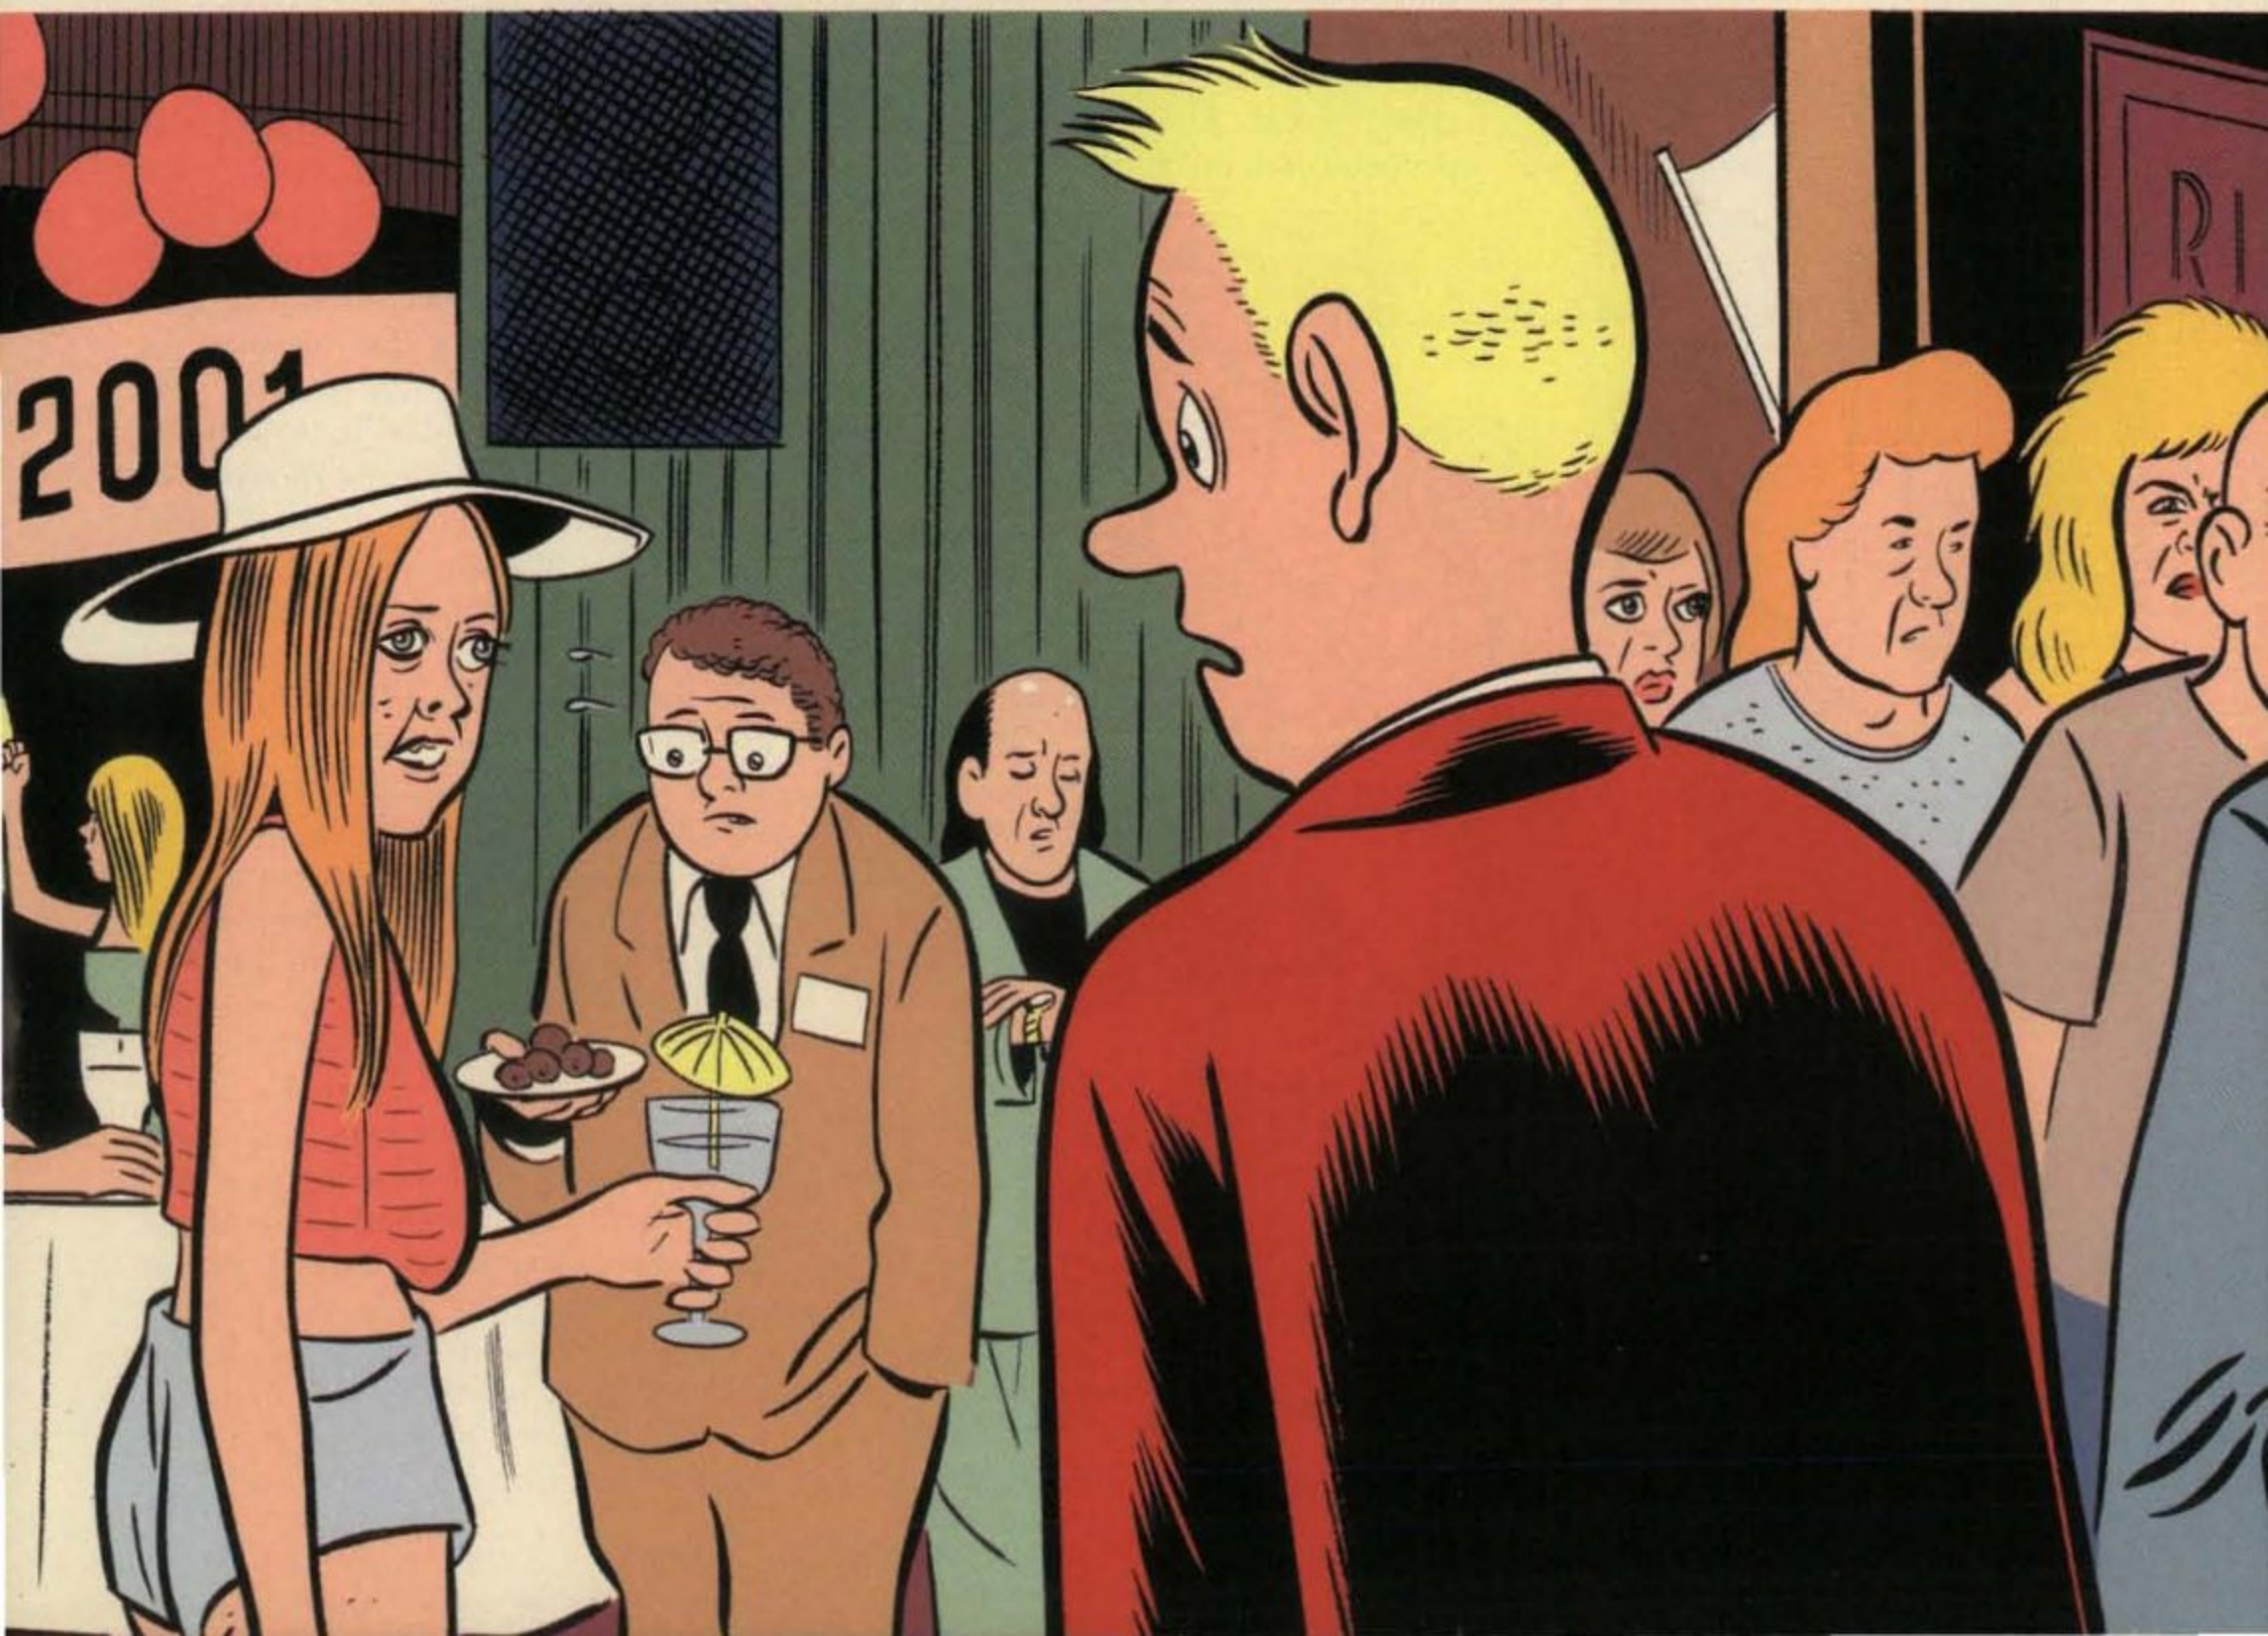
*A virtual clearinghouse for **up-skirt photos and flasher pics,** VoyeurWeb has created an **online community of voyeurs, exhibitionists** and those who love them. When this **cyber-scene meets in the real world**—or at least a Las Vegas hotel—partygoers receive **less than they bargained for.***



Peeping Las Vegas

A long line of beautiful, barely attired women weaves through the Rio Hotel in Las Vegas. Dressed in their Vegas-summer best, bombshells of every age showcase their fleshy delicacies for all to see. A woman in her 60s wears a clinging, see-through dress that leaves no doubt as to the size of her nipples or the cut of her pubic hair. A sexy blonde in a cowboy hat and vinyl hotpants waits patiently while her date, an older man with thick glasses and a Donald Duck necktie, collects their name tags and table assignments. In exactly 30 minutes, the doors to pavilions nine through 11 will open, and the 2001 VoyeurWeb party will commence.

Scantily clad women gathered around an open bar in Sin City, celebrating their love of exhibitionism, and the voyeuristic men who love to look at them—what could be a better premise for a party? Most of the approximately 300 couples in attendance hail from the states known for strippers and tourism—California, Arizona, Nevada and Florida—though a few of the less-tanned faces come from the Midwest and Canada. Tickets for the allegedly sold-out event cost $120 per couple, with single women welcomed free of charge and unaccompanied men not admitted at all.

VoyeurWeb is a popular Internet site that accommodates hundreds of special-interest contributions, including "camel toes," up-skirts and public nudity. Taken with spy cameras, many photos are impressionistic blurs of bunched-up panties and anonymous cellulite, supposedly belonging to unwitting females. The "nude in public" shots include women exposing their tits in grocery stores and fully defrocked gals spread-eagled on the asphalt of gas-station parking lots.

With his fancy clothes hanging on his slender frame and his constantly ringing cell phone, the ringleader of the Web's Peeping Tom community shrugs off most specifics, including his last name.

For weeks, the event was the source of endless posting on the VoyeurWeb bulletin board. "What should I wear?" was one of the most popular dilemmas, with "How can I get a date?" running a close second. Everyone in the cyber-peeper community speculated that the evening would be a sexy, hedonistic free-for-all, and horny geeks from near and far wanted to be part of it. The revelers milling in the hotel lobby this evening share a patina of smug victory.

This is the second year Igor, the founder of VoyeurWeb.com, and his business partner, Jerry, have held the event, which gives VoyeurWeb contributors and office crew a chance to meet. The night before the big event, Igor and Jerry unwind over dinner with some of their favorite contributors: Sandy, a leggy, stunning redhead with high cheekbones and outrageous curves, Nina, a gorgeous, voluptuous blonde who looks to be in her mid-20s, and their respective husbands. Both braless women hesitantly claim to be schoolteachers who have no professional interest in modeling.

With his fancy clothes hanging on his slender frame and his constantly ringing cell phone, Igor looks like a Continental playboy dressed in his father's best suit. Suave and delicate looking, the dark-skinned Igor possesses a vaguely European accent, but he won't divulge his origins. The ringleader of the Web's Peeping Tom community shrugs off most specifics (including his last name), but no one in his entourage seems to mind. The table looks on adoringly as Igor tells his Horatio Alger story, unfettered by scrutiny.

"Until 1997, I had nothing to do with the adult business," the cologne-dipped dandy says, claiming that his site currently receives more hits per day than Amazon.com. "My last position was senior executive marketing director for a $14-million company. When I came back from a business trip, I found that my department laid a hundred people off while I was gone. I went ballistic. I told the CEO to shove [the job] up his ass and left ten minutes later." Igor emits a high-pitched giggle and bangs the table with his hand. His faithful companions observe and ape his reactions.

Igor continues, recalling how he tallied his various bank accounts and was surprised by the pile of money amassed over the preceding 15 Internet-boom years. Igor's account places the beginning of the "Internet boom" at 1982, about a decade before most people had even heard of the Internet; unmindful of the discrepancy, the self-styled tycoon continues his spiel. "That was it," says Igor, beaming and folding his hands contentedly. "I retired at 38."

Web in search of good voyeur shots. "I'm a very visually oriented person," he says, imbuing the matter-of-fact assessment with an unlikely air of importance. "The unposed moment is so incredibly erotic. It's that tenth of a millisecond when the stewardess struggles to put her luggage up in the overhead bin. That gives me much more pleasure than to go through old porno magazines." Igor signed onto the first voyeur site he could find, paid his $20 membership fee, and was sorely disappointed. "They were obviously posed."

Like a man possessed, Igor signed up with one site after another, in search of genuine voyeur shots. "I didn't sleep for 36 hours," he recalls. "Back then, computers were slow. My computer had a [modem] speed of 12K or something; so every picture took over 15 minutes to download. Within 36 hours, I'd spent $2,000 and gained nothing."

The next day, Igor met with a friend who helped him develop his own site. Four days and a Web-hosting fee of $35 later, VoyeurWeb.com was up and running. Igor posted 15 images he had shot himself, along with an invitation for others to submit their own voyeur photos. "I don't know what happened," says Igor, "but two days later, I already had hundreds of pictures."

Igor claims he doesn't pay for any material, save for the nominal monthly cash prizes awarded to the top three viewer-rated submissions. "If people don't want to send something for free, I have another 50 people who will," he says.

Five months later, Igor found himself with mounting network costs of $20,000.

"We deal with erotica, not pornography. We stress the artistic side of a human."

The artistic side of a human, as deemed by most VoyeurWeb patrons, is a crotch shot.

"I sat back and realized that this is going to be an expensive hobby," he recalls.

After a year, Igor's "hobby" had set him back a cool $400,000. "It took me a whole year to figure out that this was not the way to do it," he laughs. Igor came up with two alternatives to fund his ever-growing Web site: advertising, or a separate, more sexually explicit, members-only pay section. He let his visitors decide which would be implemented. "I said, 'You pay us $50 a year, we'll include some age certification and start showing the hard-core pictures that you've been sending." Ninety-nine percent voted to keep the site free of advertising and open the pay area. According to Igor, the resultant hard-core section, Red Clouds, attracted 11,000 subscribers only three weeks after its debut.

"We have offices all around the world," the up-skirt mogul says. "Munich, Frankfurt, California, New York and Florida, I think." Igor slaps his hand on the table and laughs. "Right now I don't even know where our main office is. In Panama, maybe?" ("This is the only office," says a confused receptionist at VoyeurWeb's Miami, Florida, headquarters. "Maybe the other locations run servers or something.")

Jerry and Igor excuse themselves to go to the bathroom. A few minutes later, they're back. The palpably invigorated pair sniff and brush their fingers across their noses as they resume conversation.

"I'm not worried about the authorities," Igor says, ordering another bottle of wine. "I worry about our morals. We have morals in this business. We deal with erotica, not pornography. There's a big difference. We stress the artistic side of a human." The artistic side of a human, as deemed by most VoyeurWeb patrons, is a crotch shot.

Just as Igor's pleas of aesthetic refinement and worldwide assets invite raised eyebrows, Internet-porn insiders are skeptical about the supposedly grass-roots origins of Red Clouds' and VoyeurWeb's content. In particular, experts doubt that the site's content is "100% fresh voyeur and amateur photos," as claimed.

Scott Schalin, Pussy.com's Webmaster, finds it unlikely that a site such as VoyeurWeb or Red Clouds could develop without paid content. "VoyeurWeb is definitely amateur-y," Schalin says. "[But] if you're basing the site on real amateurs submitting photos, they're not going to know about your site unless it's generating traffic."

Evan Wright, a contributing editor for *Rolling Stone* and former HUSTLER editor, discovered in less than a year of employment at the former giant of Web porn, Internet Entertainment Group (IEG), that "most people in the Internet-sex business are con artists.

"When you see the word *amateur* on the Internet, it means 'con artist,'" Wright says flatly. "IEG had amateur sites which were not *(continued on page 108)*

Wright notes that anonymity allows flimflam peddlers to operate freely. "When you're dealing with a company CEO who won't even give his last name, that's obviously a warning sign."

* * *

Back at the VoyeurWeb 2001 party, warning signs abound that the event is shaping up to be a verifiable flop. Laura, an auburn stunner, waits in the buffet line. She purposely lets her skirt creep up her girlish hips. Laura is an exemplary exhibitionist and a natural show-off; her half-naked body is at once pert and relaxed. Her husband Mike's arm is slung around his immodest spouse, but his eyes are happily trained on the women passing by in their revealing fashion statements. Laura and Mike have been posting nude-in-public shots for a few months now. The couple smiles brightly and nods to other guests, but looking and grinning don't lead to introductions. With each minute that passes, the pair loses sexual steam.

In the face of such standoffishness, Laura is delighted to talk to anyone, even if only a reporter. Laura takes a longing look around the room as she discusses her expectations for the evening. "This is the only time we've come to anything like this. We don't have any expectations to swing, but it'd be nice to meet some people."

Tracy drains her cocktail glass and looks at the dance floor. "I don't have any desire to swing, though I've been trying all night. Maybe after dinner...."

In theory, this private gathering of like-minded adults provides guests with the ultimate safety. Cameras are not permitted in the ballroom, in order to safeguard the identities of those who've devoted themselves to stealthily snapping compromising photos of unaware strangers. But absolute safety proves to be an absolute bore. When it's finally their turn to load up on baked chicken and cheese spread, Laura and Mike take their plates quickly, relieved to have something to keep their hands and mouths busy.

A couple dressed in biker gear looks out on the dance floor expectantly. Aside from a pair of drunken, 40-year-old females grinding to "Red, Red Wine," nothing much is happening. The music is painfully loud. When asked what he does for a living, Glen considers the inquiry carefully. "I'm a project manager for a commercial developer," Glen offers, phrasing it almost like a question. He and his sexy, blond girlfriend Tracy, a legal secretary, both seem frustrated by the way the party is—or isn't—going.

"I was scared to meet other people," says Tracy, "but I'm finding they're just nice, normal people." She drains her cocktail glass and looks over her boyfriend's shoulder at the dance floor. "I was really surprised. I don't have any desire to swing, though I've been trying all night. The party's very quiet. I thought there'd be a little more animation. It's still early though. Maybe after dinner...."

Glen pulls Tracy onto his lap. "What I like about being part of the VoyeurWeb community is that these are everyday, normal people, people I can relate to," he offers. "Not some gorgeous model who's the kind of woman I'll never see in my life." Tracy, who until now has puffed herself out like a blond, fat-chested peacock, deflates noticeably. She shoots Glen a withering look, and the two make their way back to the bar, empty glasses in hand.

Donald, the quintessential old man from his evident dentures to his boutonniere, pushes a dry piece of salmon around on his plate. His date for the evening, Kara, an attractive brunette in her early 30s, sits at arm's length. Donald characterizes their relationship awkwardly. "We're friends from California," says Donald. "I paid her way, but I didn't hire her. Maybe some men did that to get in here tonight, but I didn't." The widower, a longtime nudist, says that, although he was a swinger during his marriage, he's now content to surreptitiously snap the occasional naughty picture. "I've been caught several times. Most people just smile and walk by," he says, leering at a woman in a short dress who passes the table. She keeps on walking, and Donald goes back to playing with his food.

Chuck, a disheveled man in his early 40s, sits in the shadows. He scopes out the women, but they all have escorts. Where is his requisite date? "My wife missed her plane," he says nervously, pulling two crumpled (continued on page 116)

Peeping Las Vegas

(continued from page 108) receipts from his pocket in order to prove her existence. "See? I paid for two plane tickets, and I have her name down in my hotel reservations. She just missed her plane, is all." Chuck is alone at a table that seats ten.

A few half-empty tables over, Ted, a bachelor in his mid-50s, sits with his date Ellen. The attractive woman in her 30s is a "good friend" who agreed to accompany Ted so he would be allowed into the event. Ted looks happy just to be at a party, even if it isn't turning out to be much of a blowout. Ellen doesn't seem to share his enthusiasm. "If you look around this room, there are a number of people who are attractive enough to appear in magazine ads," says Ted charitably, "but other people who aren't. Look at me—I've got one ear bigger than the other." Ellen shreds her napkin and taps her nails on her water glass.

After dinner, Igor's "voyeurettes," two attractive, young goth girls, turn the assemblage's attention to the stage for the evening's entertainment. "I'd like to introduce you to the man of the evening, the man who made this all possible, Mr. Igor." Donning a pair of dark glasses, Igor is all waves and nervous energy. The previous evening, Igor had spoken grandly about the hour-and-a-half, after-dinner show. "I take my job very seriously, even though it's just entertainment for everyone else," Igor had said, grumbling good-naturedly about having to wake up early for the next day's rehearsal. It's hard to imagine that this show had undergone, or even required, a run-through. The diversions—a live chat with VoyeurWeb members, a Madonna impersonator and a VoyeurWeb trivia contest—all fall flat. An Internet connection can't be established for the Web chat. The "Like a Virgin" track skips no less than four times, throwing the Madonna impersonator into a bitchy tiff with her deejay. And no one can answer any trivia questions, not even for the brightly colored bikinis that serve as prizes. With each failure, Igor slouches down a little more in his chair.

Those viewing the party online were also disappointed. "Can this be any worse? Streaming video like an 80-year-old man taking a piss."

In a last-ditch effort to maintain even the illusion of merriment, Igor is seated in a chair at the center of the dance floor and given a lap dance by a busty, lithe contributor. Observing the spectacle is about as fun as watching someone eat a piece of birthday cake when there's not enough to go around.

The open bar is closed now, and more than a few people have cleared the pavilion. A palpable "Is that all there is?" sentiment ripples through the ballroom. The dance floor opens to everyone, and a group of slightly sloshed dancers grinds to a bad disco version of "Don't Worry, Be Happy." The women flash generously, dresses hiked. One hoofer bends forward and pulls her panties to the side. A few men on the sidelines strain to take in the party's last hurrah. Unfortunately they weren't allowed to bring their spy cams. Igor and his assistants are nowhere to be found.

* * *

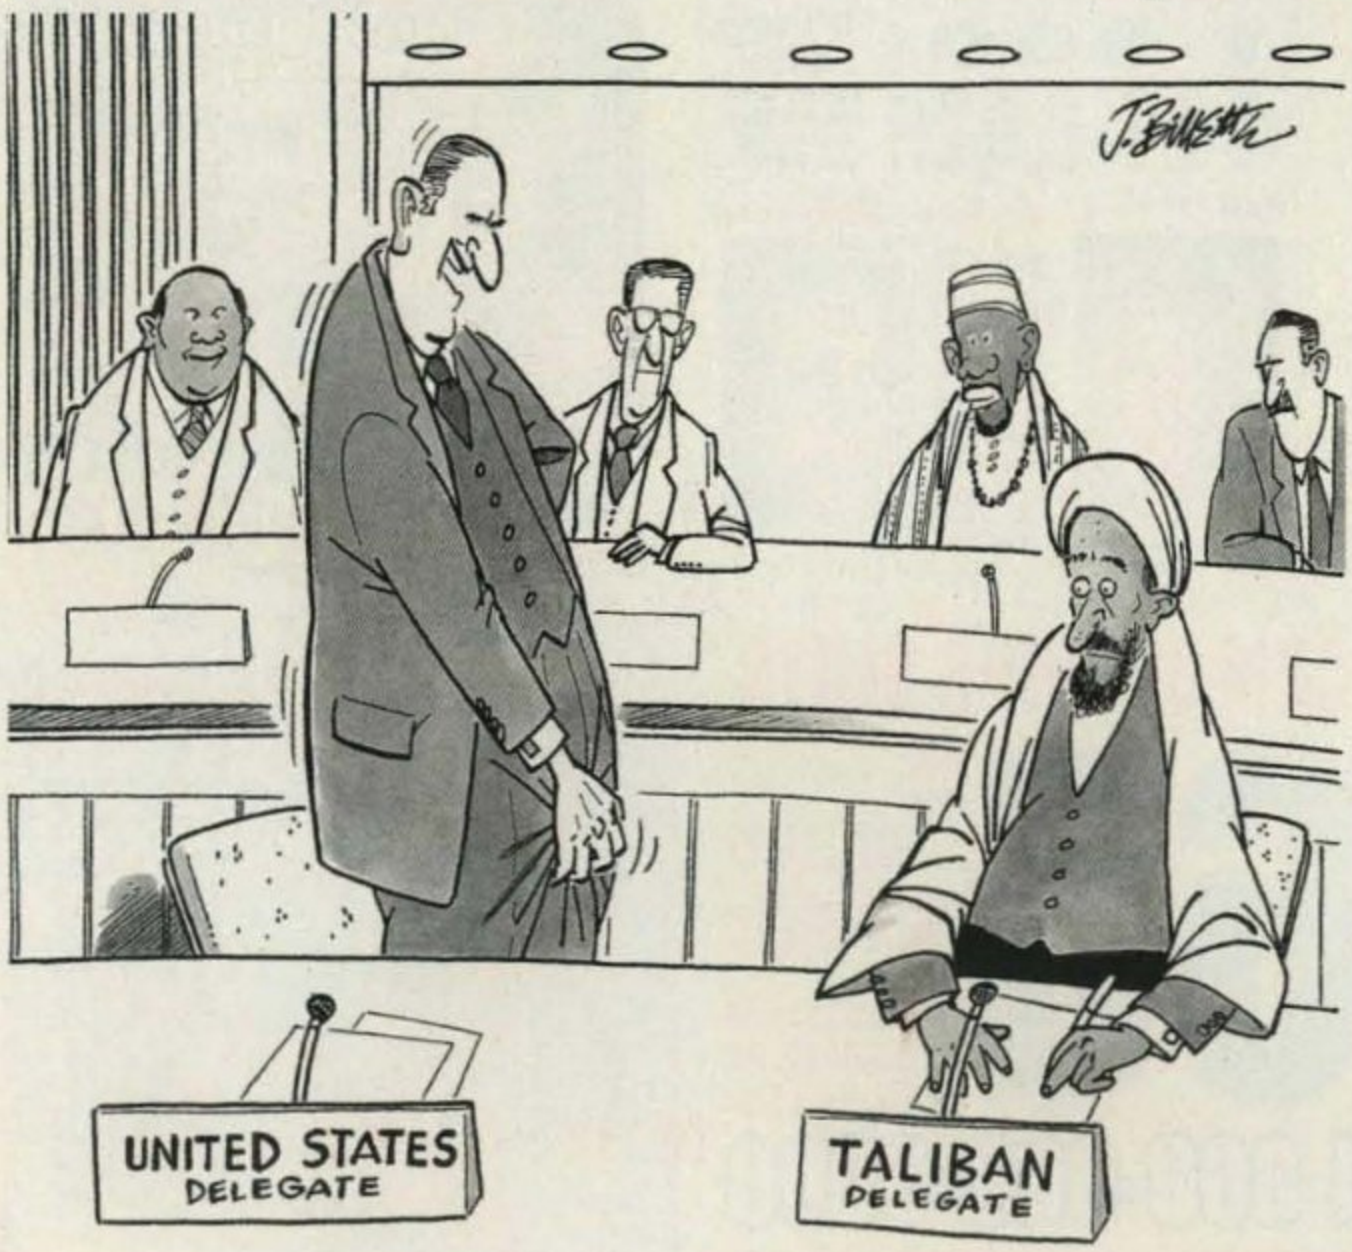
The following day, reports of the party appear on VoyeurWeb's bulletin board. "The Voyeur [party] lays its usual egg," says one. "The expected bomb of the year."

Those viewing the party online were also disappointed. "Can this be any worse?" reads one post. "Six immobile cameras, no close-ups, lousy music, horrible dialogue and streaming video like an 80-year-old man taking a piss."

"Many couples were very shy or irritable, due to the slow goings-on of the party," writes Disappointed. "This made meeting people difficult. My wife approached one of the people in charge of the show who kept assuring us, 'Things will pick up.' After several hours of waiting, we approached him again. He still insisted things had to get better. Bored and disappointed, we left."

A few days later, VoyeurWeb announces that there will be no more site-sponsored parties. Maybe someone realized that just because people like to be looked at by strangers doesn't mean they want to interact with them. The soiree wasn't a swingers event, after all. How much spontaneity can be expected from a bunch of guys obsessed with building the perfect shoe camera? Perhaps those who flash on highway overpasses and in Wal-Marts best relate to others in the sterile realm of cyberspace.

Despite the voluminous complaints, one attendee left Las Vegas with something positive to say. "At least Igor is not a fat guy in cutoffs and a tank top." Even if who he *is* remains something of a mystery.



"Hey, I got yer jihad!"

"We agree with the President: 'You're either for us or against us.'"

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Longitude VS. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to $150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude VS. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude VS. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? *In a garage?* Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- GUARANTEED by over 1 Million Men every year!

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe
LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis...
That's The Average Size
LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days
Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

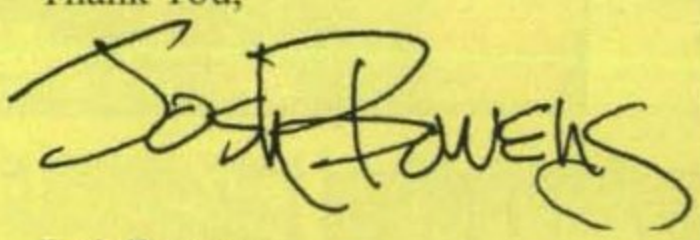
Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,



Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Hot Letters

Cupping my sac, Reiko snaked her tongue under it to tickle my asshole while she resumed jerking me off. My 'nads would explode if I didn't come soon.

(continued from page 54) Reiko, did. When she found out that I wanted her to leave her vehicle with us for a few days, she launched into a 30-minute rant about lazy Americans and unsafe, Korean shit-box autos. Her poor English was peppered with fluent, if improperly pronounced, cuss words.

I probably would have cut her tirade off more quickly had Reiko not been entertaining to look at. She was about 20, oval-faced and willowy, with blunt-cut black hair that she'd pinned back with pink-and-yellow clips. In her biker jacket, black tights and plaid skirt, I suppose she was some kind of rebel at home. Like many Japanese girls, her skinny arms and clunky-heeled shoes made you assume her legs were long, until you looked them over carefully and saw that, shapely as they might have been, they were in fact as slender as turnips.

The Asian nymph bitched her way through every injustice ever committed against her by foreigners, be they inept, craven automakers, unmotivated mechanics or antiwhaling activists, then mangled a few particularly foul curses before winding down into a sulk.

"*Fukku-yew,*" Reiko concluded emptily. "*Dicka-hade.* My collar, I want my collar *today.*" She meant "car," of course.

After five or six seconds of surly silence, a new thought seemed to occur to her. The girl's cross features softened, and her eyelids drooped to half-mast.

"Please?" she cooed, stepping close and looking up at me with a practiced coyness. This word, at least, she had down pat. Her blue-painted fingernails tugged open a button on my shirt. The shrewd Jap tongued the exposed chest skin, watching my face.

I led Reiko back to the smog-check station and pulled down the metal door. The pushy customer dropped to her knees and pawed at my crotch. Within seconds, Reiko had my schlong at the back of her throat. She was not a large female, but sucked harder than any girl I'd ever encountered. The blood rushed out of my head and into my pud so quickly, I barely had the presence of mind to slip a mitt under her skirt and into her tights, soaking my fingertips in her dewy cleft.

I ripped a hole in the nylon, exposing her honey-glazed cream puff and its sparse landing strip of hair. Jamming a thumb in, I complimented Reiko on her carefully trimmed pubes. She gripped the base of my shaft to hold her place and took her mouth off to reply.

"No," the Asian slut gasped, "not *ta-rim*, that is all of my *muffu*."

Freaky, I silently mused. Cupping my sac, Reiko snaked her tongue under it to tickle my asshole while she resumed jerking me off. My 'nads would explode if I didn't come soon. The bunghole-lapping cunt threw herself back onto the floor, splaying her legs so wide her shoes *clomp*ed on the concrete.

"Have and have!" she cried, thrusting her smeared, almost-hairless mound up at me.

Have what? I wondered, momentarily panicking that she might be carrying a dose of something. Once I realized that she was urging me toward phase two, I wasn't about to wait for an engraved invitation. I knelt over the enraptured hellcat and shoved my tool at her pussy. The path was slick, but tight; she yelped and carried on as I slowly worked my throbbing cock in.

Once her love muscles had a firm grip on the length of my rod, the odd-ball Jap grabbed around my neck and started licking my skin again, laughing as she wrapped her legs around my back. I began to thrust, but found that Reiko had lifted herself off the floor. I could only pound into her cooch when she bucked back.

On my hands and knees with the lust-crazed cutie clinging to me, I eventually found a rhythm that matched hers and spurted sperm sake into her conch within a few short strokes. As each blob blew out into her cramped canal, Reiko let out a theatrical yelp that, undoubtedly insincere as it was, encouraged my brainless boner to keep spitting long after my balls had emptied.

I let her to the ground easy and helped her clean off the mixture of cunt juice and sperm that had spilled across her black hose and the underside of her plaid mini. I half-hoped for her sake that the gaping crotch-hole in her tights wouldn't show if she kept the skirt down. The enticing foreign bitch stood against me, face upturned, and offered a wet kiss full of tongue, which I hesitantly accepted.

"Fix my collar," Reiko breathed.

I almost started straightening her jacket. Ten minutes later, the air-bag cover was in, and she was gone. —R. K.

JUBILEE & ALBERT

RANCH UNDRESSING

Jubilee wants a rustic life with all the modern conveniences. ***"Sex on the range is so much juicier in a hot tub,"*** *the would-be homesteader enthuses. Playing along, Albert stakes his claim inside Jubilee's fertile gulch, and she rides every thrust into a dreamy reverie of a lawless yester-year.* ***Jubilee moans with escalating fervor,*** *coming to a new conclusion as a lasso of spuzz encircles her neck.* ***"Maybe there are some things technology just can't improve on."***

Coming Next Month in HUSTLER

Sinful Showers

The snizz rains down in HUSTLER's dripping April issue. A wealthy blonde strips down to her black garters and sneaks behind the stables for some raunchy horseplay. A nasty young brunette can't resist giving up the ginch to the skateboarding stud who rolls into town. Two lesbians, one fair-haired, one dark-tressed, battle for dyke supremacy—and the readers win. A fashion-conscious waif casts off her bluejeans in favor of a purple dildo that brings out the color in her cheeks. A sunbathing golden girl's creative juices flow when she thinks no one is watching. Even fools know not to miss out on the April HUSTLER.

Stiff Love

Most Americans consider necrophilia the ultimate taboo, but corpse fuckers are trying to earn respect by touting the spiritual and psychological aspects of their fetish. Although only a handful of states actually have laws against humping cadavers, people who lust for dead flesh still satisfy their cravings in secret for fear of exposure and ostracism. In an exposé that digs deep, HUSTLER correspondent Chad Hensley speaks with practicing necrophiliacs to unearth the motivations behind their obsession with dead lays.

Ultimate Sex Dolls

"She cannot get pregnant. She will never steal from me or lie to me. I am totally happy with her," a man gloats about his fuckmate, Ginger. On top of that, he maintains that she's the best lay he ever had. If his boasts sound too good to be true, they are. Ginger is a Realdoll, a high-tech, silicone mannequin that will faithfully suck and fuck any lonely mook for a mere $6,000. If that price is too high, used Realdolls sell on eBay for as little as two grand (dignity not included). In April's twisted HUSTLER feature, reporter Mike Kelly examines these super-realistic sex toys and talks to the owners, who claim that these erotic androids feel even better than the real thing.

Spring Flashin'

Jeanna Fine, the high priestess of porn, offers advice to perplexed perverts in *Dear Slut*. Catch the most popular events at the Terrorist Olympics with *Bits & Pieces*. *Erotic Entertainment* helps readers dodge the bombs in the latest onslaught of video smut, and spring's warmth inspires neighborhood girls to shed their winter skins for *Beaver Hunt*. HUSTLER's explicit April issue is all pink with no pranks.
